"SUBJECT: PRO's AND CON's of a POLICE REVIEW BOARD in LOS ANGELES.

"ATTENDANCE: Between 25-30 people. Among those present and identified were the following:

"Atty. PATRICK COLEMAN
Dr. A. C. GERMANN, Professor of Police Science, Long Beach State College - Moderator.
ATTY. HUGH MANES.
GEORGE LYMAN - 23365 Collins Street, Woodland Hills, Calif.

"The other people present were not known to me. Donation at the door was $1.00.

"Dr. GERMANN opened the meeting and introduced Atty. HUGH MANES.

"HUGH MANES proceeded to speak. He based his talk on the book, 'A REPORT ON LAW ENFORCEMENT and the NEGRO CITIZEN in LOS ANGELES,' reading quotations found within the book as to what CHIEF PARKER has stated in different talks he has given throughout the country. Also, HUGH MANES continued, he recently won a case for fifteen youths who were arrested. Atty. MANES then ended his talk with a case which is in the above mentioned book: PEOPLE vs ERNIE SMITH.

"Mr. GERMANN then introduced Atty. PATRICK COLEMAN.

"Atty. PATRICK COLEMAN related that he had been with the Los Angeles Police Department. He started his talk by saying he was quite surprised that Mr. MANES did not come to a point exactly what a POLICE REVIEW BOARD was and what its composition would be. Atty. COLEMAN then related that he understood what Mr. MANES' organization wanted in the sense of a POLICE REVIEW BOARD and stated that it was a most unfeasable type of a setup because, No. 1. MANES points out that the MAYOR would have a choice of picking the people who would be on this REVIEW BOARD. COLEMAN stated that if the MAYOR was anti-police there would be the possibilities of the REVIEW BOARD being anti-police, and we have seen recently in the VALACHI testimony on TV where even half of a MAYOR was sold to a rival gangster, so that the picking of a REVIEW BOARD by a Mayor, if he happens to be anti-police or pro-police, would make it a political type of a board.

"Atty. COLEMAN continued, that as far as he knew in the City of Los Angeles there has never been a politically influenced police department, and as far as he knew in the Los Angeles area no one is taboo from arrest whereas in other cities certainly people can do whatever they want and are not arrested because they have political influence. Also, the weak link in the chain of a POLICE REVIEW BOARD is, 'Who investigates the investigator on the Police Review Board?' Basically, the people who would be on the Police Review Board are people who are not professionally minded for reviewing policemen. Actually, the policeman is not making the law himself but enforces the laws enacted by the Legislature and takes directions from the District Attorney's office.

"Atty. HUGH MANES then, in rebuttal, said that certainly Mr. COLEMAN was not aware of the 'Bloody Christmas' which took place here in Los Angeles where Mexican youth were beaten by the Police Department. The question of police passing judgment on themselves as is done by the INTERNAL AFFAIRS DIVISION is a farce, and people who do file cases with INTERNAL AFFAIRS are harassed.

"Mr. GERMANN then interjected that he had statistics on the POLICE REVIEW BOARD in Philadelphia and that in Philadelphia there had been approximately 104 cases in the past year and 98 of them had been solved by discussion with the Lieutenant in the Police Department, and only 4 had been brought before the POLICE REVIEW BOARD, and 2 had been decided for the citizen and 2 for the police against the citizen.

"This ended the discussion on the POLICE REVIEW BOARD.

"Upon leaving the building a gentleman who was in attendance at the meeting had a long discussion with Atty. MANES. The discussion was in relationship to a BILL or an ORDINANCE which this gentleman had influenced and which Mr. MANES was interested in. The gentleman had attended the meeting. His first name is [redacted]. He drove a 1960 Valiant, 4 door, license No. [redacted]. He wore a small pin with an 'F' on it in his lapel which I believe would be a pin of a retired fireman or on the Fire Commission. b6 b7C

LA 100-3267

"OFFICE NOTE: LICENSE NO. [redacted] is registered to a [redacted] Woodland Hills, Calif. b6 b7C

"Find enclosed a blue postcard which was mailed out approx. Sept. 30, 1963 as indicated by the postmark, announcing the above discussion.

"Also enclosed is a book, 'A REPORT ON LAW ENFORCEMENT and the NEGRO CITIZEN in LOS ANGELES,' by HUGH R. MANES. This was sold to several people at the meeting by HUGH MANES for 50¢ a copy. HUGH MANES also had a large number of these books, Approx. 250,000, in his automobile which was parked on the Insurance Company lot.

"EXHIBIT #1: POSTAL CARD: AMERICAN CIVIL LIBERTIES UNION of SOUTHERN CALIFORNIA, HOLLYWOOD CHPTR.-Presents Atty. PATRICK COLEMAN and Atty. HUGH MANES. (announcing above debate).

" #2: BOOK: 'A REPORT ON LAW ENFORCEMENT and the NEGRO CITIZEN in LOS ANGELES. By HUGH R. MANES."

"Indiana practice. Now we are ready to proceed in the courts. Before the end of October, we will submit our initial brief, contesting the constitutionality of the Anti-Communism Act. Oral arguments should be held sometime in November in the Bloomington court. MR. BOUDIN will present the argument for the defense, [redacted] for the prosecution. If we are unsuccessful, the case will then proceed to trial.

"We are in a new stage of the legal fight. For almost 4 months since the second indictments, we have been hampered by the fact that we did not have local counsel. Since that has been solved, the machinery of justice will now begin to grind. b6 b7C

"The Indiana Civil Liberties Union has been a leading problem for several months. The red-baiting president of the ICLU has considerably damaged our case in Indiana and elsewhere. But, it looks as though the tide has turned in our favor. First, the GARY chapter of the ICLU has strongly condemned [redacted] and [redacted] Then, we learned that we had support against [redacted] in the Southern California ACLU. Finally, the national ACLU came out in their bulletin in our defense and condemned [redacted] Last week, the Indiana University CLU came to us and offered their aid, recognizing the insidious role of [redacted]

"The way is clear for the complete isolation and discrediting of the terrible attack that [redacted] levelled against us. You will be notified of the progress in this arena. The important thing is that [redacted] the second most vicious enemy of the defense besides [redacted] will probably be defeated and we no longer have to apologize for ourselves.

"As far as sponsors are concerned, we have about 90 at this time, including some very good names, such as BERTRAND RUSSELL, LINUS PAULING, MARK DE WOLFE HOWE of the Harvard Law School, and many others. However, almost all of the sponsors have been obtained by four locals: Twin Cities, Los Angeles, Chicago, and Boston. This uneveness needs to be corrected. All locals should participate in this necessary aspect of our work. This should remain at the top of the agenda until the middle of November. Let's get on the stick."

Station KPFK is apparently about thirty thousand dollars in arrears and they are currently trying to raise funds. They planned to have a meeting on January 11, 1963, in order to organize the obtaining of more subscriptions. They apparently owe about three thousand dollars to Los Angeles County in taxes and they have gotten an extension for the payment of these taxes. Their Federal Communications Commission license is supposed to have expired in December, 1963; however, they are still broadcasting. They have listener-discussion clubs, but they are not apparently a major factor and they apparently have not done very much along this line. It does not seem to be broad or extensive. In theory the station is supposed to be open to both "right-wing" and "left-wing" ideas, but apparently the "left-wing" have taken advantage of discussions on the programs more than the "right-wing." [redacted] whose phone number is NO 1-0222, [redacted] the discussion groups for KPFK.

It is difficult for any leaders from the National level to the local level to make any appearances. They news forces will are trying to connect LEE HARVEY OSWALD with the left wing. The atmosphere could be dangerous. Mention was made of the fight that broke out at the ACLU party on Saturday night. It was between one of the YSA members, [redacted] (otherwise known as [redacted] and another person believed to be a non-radical. The YSA members are not to speculate as to the future. The YSA is not to present its public face. They are to watch the situation and avoid discussions. The ecutive recommendation is that all of [redacted]

[redacted] appearances in Los Angeles be cancelled. The police have surrounded the National Office of the SWP. The YSA should get rid of their 'FAIR PLAY FOR CUBA' (FPFC) mailing list. All of these are temporary measures but the YSA is not going underground. There is no political shift. No publicity will be good. The motion to cancell all of [redacted] public appearances was passed with all in favor.

[redacted] gave the report on COMMITTEE TO AID BLOOMINGTON STUDENTS (CABS). He said that he is not working in an official capacity. He stressed the idea of getting all the members present at a meeting sometime during the week. [redacted] said that since his appearances are all off, the YSA might as well wait until next Sunday and then have an all out effort to get all twenty-one members present. The is danger of his being connected with the FPFC organization because he was one of [redacted] for a year. The defendants have finally got a local lawyer. CABS work is the best way of transmition. By getting people involved in its work the YSA is able to involve them in its own work and finally get recruit them. [redacted] gave a short history of the sucess of the LA local of CABS. The YSA must involve a lot of people because it is the only way of getting money.

[redacted] made some announcements. Among them was a press release from the national office (NO.). It condemned President KENNEDY's murder. The YSA is to put out a mailing telling that the party on Wednesday is off. [redacted] asked members to pay an extra sustaining fund because of the loss involved in putting out the mailings without having the party.

"After the meeting some of the members stayed around to heop put out that mailing. [redacted] wrote the letter. [redacted] typed out the stencil. [redacted] ran them off on the mimeograp. The following investigation was conducted by the writer on the evening of Friday, December 6, 1963, in connection with a meeting of Discussion Unlimited (DU) being held at the Hollywood High School Auditorium, 1521 North Highland Avenue, Los Angeles, California that evening.

The writer arrived in the vicinity of Hollywood High School at approximately 7:50 P.M. It was noted that a small but orderly group of individuals (adult white males and females) were walking in front of the steps leading up to the front entrance of the High School Auditorium. They were carrying picket signs pointing out the alleged connection of scheduled speaker PAUL MARLOR SWEEZY with the Fair Play for Cuba Committee; and others which read "BOBBY why don't you enforce registration?", "Why are communists using our schools?" etc.

It was noted that one adult white male wearing a brown uniform with a Nazi armband was also parading in front of the school; but the other pickets operated their picket line in such a manner as to exclude this individual from their formation.

It was noted that persons were being stopped from entering the auditorium without tickets' so the writer, purchased a ticket for $1.50 from a white male sitting at a table set in such a position that it barred admission through the

door it was behind. It was necessary to walk to the door to the left of the table, where an adult Negress was taking tickets being assisted by an adult white male. Cost of the ticket, purchased by the writer was $1.50. The above female took the writer's ticket, tore it into two pieces and returned one-half of it to the writer, which will be made an exhibit in the 1-A serial of this case file. The woman who took the ticket was wearing a blue sweater and blue skirt.

The meeting, which was originally scheduled for 8:00 P.M. did not get under way on time. The writer took a seat in the center section of the ground floor of the auditorium. At approximately 8:40 PM, just as the meeting was about to start, the woman on the writer's immediate left asked if he might move over into the adjoining vacant on his right, in order that she and her party could make room for a friend. As he moved, the writer noted that the person who took the end seat in his row was [redacted] of the Communist Party (CP) in the Southern California District Communist Party (SCDCP). b7D

Also prior to the meeting it was noted that SAM KUSHNER, Los Angeles Editor of the "People's World" was in the lobby of the auditorium conferring with BERNARD HIRSCH and JOACHIM HAMMER, officers of DU. Latter he was observed talking with a photographer in the main part of the auditorium.

The meeting was opened by JOACHIM HAMMER, President of DU, at approximately 8:40 P.M. He read a prepared statement noting that the Los Angeles City Board of Education neither approved nor disapproved of what might be said during the course of this meeting. He also led in the pledge of allegiance to the American flag, reading from a script on the speaker's rostrum. The pledge was followed by about five seconds of silence in honor of President KENNEDY.

HAMMER then announced that the scheduled master-of-ceremonies, MR. GIFFORD PHILLIPS, publisher of "Frontier" magazine, "had declared a personal moritorium on all communal activities" and so would not be present. HAMMER said that under the circumstances he would handle the duties of the

"master-of-ceremonies.' He spoke briefly about the 'victory for free speech' that had allowed DU to hold their meeting in the High School Auditorium that evening. He explained that he had been present at the legal action in the Los Angeles Superior Court the previous Wednesday' but even so, was not sure just what had taken place from a technical standpoint. He said that the lawyers who had represented DU in that action, MR. A. L. WIRIN and MR. FRED OKRAND, were then attending an anniversary banquet for the American Civil Liberties Union; but would be at the meeting later in the evening to explain the situation in more technical detail than he was capable of under the present circumstances.

"He introduced the first speaker, MR. PAUL SCHRADE, Western Representative of the United Automobile Wokers Union; giving the impression that SCHRADE was a graduate of Yale University. SCHRADE spoke chiefly about what he thought would be the result of additional moves toward automation. He quoted statistics regarding the percentage of unemployment in the United States and then said that in addition to the numbers recorded in the statistics there were two other vast reservoirs of unemployed adults in this country that are not recorded. One of these he described as the 'vast hidden army' of unemployed, those individuals who have been out of work for so long, at no fault of their own that they have given up all hope finding a job and so have quit looking for work. The second group consisted of those idividuals who were on forced part-time employment; who, if they had their choice, would prefer to be working full-time.

He felt that more government spending was necessary to combat unemployment; that additional share-the-wealth programs must be set up; that social and economic reforms are necessary. He claimed that some of the larger corporations have such a backlog of profits that they do not know what to do with all their money. He claimed that General Motors, for

example, had unused profits of over 2½ billion dollars. He believes that a shorter work week will also be a means of solving the unemployment problem.

PAUL MARLOR SWEEZY was the second speaker introduced by MR. HAMMER. HAMMER indicated that SWEEZY was a self-described "Marxian Socialist." He then read a prepared statement of additional background information which seemed to be almost identical with the information about SWEEZY contained in the brochure issued by DU to announce this meeting.

SWEEZY's comments very closely paralleled those of SCHRADE, and he made some of the same statements about unemployment and automation. In addition he indicated that he believes in a government controlled centrally planned economic system. He said, in reference to the United States, "We are blessed with a totally irrational system of government. Under no circumstances can you make an irrational system perform rationally." He likened the brink of the economic disaster the United States is perched upon to the "melancholy truth which a Christmas tree vendor must face on the night of December 24th."

SWEEZY said that in the United States the government operates to out "illfare" instead of for our "welfare," as it should. He said that in the Soviet Union, where there is a centrally planned economic system under strict governmental controls there is no problem of unemployment; but rather there is a problem of obtaining an adequate labor force. He said that he visited Yugoslavia, spending a great deal of time there last summer. In Yugoslavia, their economy is a "decentrally planned economy" as opposed to the "centrally planned economy" of the Soviet Union. He said that Yugoslavia consequently has many of the same unemployment problems faced by the United States.

He believes that the profit-motive should be done away with completely. There should be government control of all of production. He said that the so-called free-enterprise system is responsible for the abridgement of free-speech.

The third speaker, DR. PROCTOR THOMSON, Claremont College economics professor, was sharply opposed to comments made by both SCHRADE and SWEEZY. He advocated less governmental control of business; reduction in personal and corporate income tax; a return to the free-enterprise system which he said was the only system which would guarantee the "God given rights to Free-speech." He said that he approved of the "so-called victory for free-speech" which resulted in the School Board's decision to permit DU to use the auditorium, but "apparently for different reasons than either MR. SCHRADE or DR. SWEEZY." He pointed out the scientific and technological progress made by the United States under the republican form of government we have; and attempted to dispel any fears of advancing unemployment due to further automation. He pointed out that if the Bell Telephone System was still operating with the techological advances of 1920 that it would take the entire labor force of the United States to furnish the services that BELL now makes available to the public. He also pointed out that even with the automated advances BELL has made that they now employ a tremendously larger percentage of people than they did in 1920. He indicated a belief that the retention of the profit motive would tend to prevent additional unemployment, and would keep this country's economy on an even keel. Many of the individuals in the audience indicated their displeasure with comments made by DR. THOMSON; and the writer noted that those around him, including DOROTHY HEALEY gave him hardly any applause, but were quite profuse in their applause for SCHRADE and SWEEZY.

A period of rebuttal and a short period for questions from the audience was held after the above speakers completed their talks. MR. HAMMER and another tall dark haired adult white male screened the written questions prior to turning them over to the speakers to answer. Also JOE HAMMER introduced lawyers WIRIN and OKRAND, each of whom spoke briefly about the victory for free speech that DU was responsible for. WIRIN stated that undoubetedly there were spies and informers in the audience for the FBI and the School Board.

WIRIN said that now, as a result of the legal action brought against the School Board, any organization will be able to present any speaker at a meeting in a public school in Los Angeles. No longer will the Board of Education be in the position of a "censor of words not yet said."

Two representatives of [redacted] were observed by the writer outside the auditorium prior to the meeting; and two additional representatives of his were noted to be inside during the course of the above meeting.

Other individuals observed and recognized by the writer in the audience included:

DOROTHY HEALEY
IRVING GOFF
SAM KUSHNER
BERNARD HIRSCH, who acted as an usher

b7D

There was a much smaller crowd at this affair, than was in attendance at the meeting of DU held October 25, 1963, in this same auditorium. At this December 6th meeting there were very few individuals seated in the balcony, and it is estimated that not more than 400 to 450 persons total attended.

Occupants of automobiles bearing the following current California license tags were observed in attendance at this meeting:

License	Make and Model	Registered owner	Remarks
FUT-779	63 Rambler Sedan	ETHEL ALEXANDER, [redacted]	Lone white female
JNM-343	60 Ford Falcon Station Wagon, 2 dr. Green in color with luggage rack on roof	JEROME SCHNITZER, [redacted]	Driver was white male, and was accompanied by adult white female

License	Make and Model	Registered owner	Remarks
JOZ-766	55 Plymouth Sedan 4 door blue-green	DIANA WEISS, [redacted]	4 adult white females. The driver of this car had short silver-grey hair. Two of her companions were overheard speaking in Yiddish.
QUM-202	57 Volvo 2-door sedan	CADENCE A. MC CLENDON [redacted] b6 b7C	This car was noted to bear a UCLA sticker on the rear window; and a Congress of Racial Equality sticker reading "We Shall Overcome" on the rear bumper.

It was noted that a heavy-set adult white female was handing out handbills announcing the "Big Pre-Holiday Bazaar" for the Southern California Committee for the People's World, to be held 12/13-15/63. She was in the inner

lobby of the auditorium attempting to get copies of the handbill to as many of those individuals attending the DU function as possible. After the meeting it was noted that she was also being aided by a rather elderly adult white male.

A copy of this Division channelizing memorandum is being furnished the New York for its information as it contains information about PAUL MARLOR SWEEZY, a subject of that office.

CIVIL RIGHTS

Dear Sir:

I read with great interest the article by Milton Klamen pertaining to harassment of minority groups by Beverly Hills police.

This is to inform your readers that the Beverly Hills-Westwood Chapter of the American Civil Liberties Union is also interested in this and other violations of the Bill of Rights in our community. The civil Rights Committee, which I chair, is conducting its own surveys on discrimination in employment, schools, and housing in the Beverly Hills-Westwood area.

It may interest you to know that we are contemplating direct action against a leading local retail store because of non-cooperation in the employment of Negroes on their sales force.

Much remains to be done in the area of protecting civil liberties for everyone. It is most gratifying to note your paper's interest in one of today's most pressing problems.

Sincerely,
Yvette Abelman.

A vote of 18 to 5 was taken to remove a section of the proposed by-laws as follows: '... a member whose dedication to the principles of American democracy is not compromised by adherence to any totalitarian doctrine.' By the vote this clause was removed. It was also decided to refer to the executive secretary in the by-laws as the administrative secretary. "A discussion was held by the DISCUSSION UNLIMITED group. Principal speakers were Dr. PAUL SWEEZY,PAUL SCHRADE and Dr.PROCTOR THOMPSON.

"PAUL SCHRADE of the United Auto Workers based some of his comments on the menace of automation in the United States. He stated that more and more people are being made unemployable by automation. Management is to blame since they continually seek newer and faster operating machines which cut the number of employees. Thus, management is bringing about unemployment. SCHRADE urged a shorter work week, extended fringe benefits and earlier retirement age as avenues to keep more people working.

"Dr. PAUL SWEEZY centered his remarks on the economic system used in the United States. He stated that it was not automation that was evil but capitalism. If the United States would place the means of production in the hands of the government prosperity would soon be here. Dr. SWEEZY expounded on corporations in the United States. These corporations should be taxed at a higher rate. Besides, they are making much too much money already. Thus SWEEZY expressed his wishes for a socialist type economy to bring on prosperity.

"Dr. PROCTOR THOMPSON disagreed with the first two speakers. One, the monopoly tactics of labor should come under the same restrictions as management. Two, corporate income taxes should be cut by the Federal Government. Three, greater depreciation and re-investment benefits should be given to corporations and finally, four, the progressive income tax should be abolished. Dr. THOMPSON said that the answer to unemployment is not to have a bigger and bigger government. Workers will have to be retrained for new jobs.

"Attorney A. L. WIRIN then walked into the auditorium. He told the audience that the AMERICAN CIVIL LIBERTIES UNION (ACLU) had scored a victory in pushing through to make this meeting possible. Freedom of speech must be guaranteed every citizen.

"A short question and answer period followed. Then, the meeting adjourned."

"December 9, 1963

"Meeting: Economic Perspectives in the U.S. -- Depression or Prosperity?

"Sponsor: DISCUSSION UNLIMITED

"Place: Hollywood High School Auditorium, 1521 N. Highland Ave., L.A. Donation: $1.50; Students $1.00

"Time: 12/6/63, 8:00 P.M. to 10:55 P.M.

"Attendance: Approximately 500

"A picket line was formed in front of the auditorium (approximately 15 to 20) protesting the use of a public school facility to DISCUSSION UNLIMITED. Picket signs read as follows: 'Notice - Un-Americans Inside', 'Mussle Marxist Madman', 'Has SWEEZY Registered With BOBBY Yet?', 'Stop Communist Use of Schools.' The leader of this picket line [redacted]

"One picket in a Nazi uniform tried to join in the above picket line but was isolated from them. This person was identified as [redacted] of the AMERICAN NAZI PARTY. SAM NAPIER of the ANP was in civilian clothes taking pictures. b6 b7C

"The meeting commenced at 8:30 P.M. with the appearance of JOACHIM (JOE) HAMMER leading the Pledge of Allegiance, after which he asked the audience to remain standing, and offering a moment of silence in respect for the late President JOHN F. KENNEDY.

"MR. HAMMER stated that MR. PHILIP KERBY had asked to be excused because he had declared a 30-day moratorium in being active in communal affairs. MR. HAMMER stated that the Court's ruling that they could use the auditorium for tonight's meeting was a great civil liberties victory. Attorneys A. L. WIRIN and FRED OKRAND of the AMERICAN CIVIL LIBERTIES UNION did the Community and the Nation a great service in the battle for freedom of speech, Mr. HAMMER said.

"MR. HAMMER then introduced the first speaker, MR. PAUL SCHRADE, labor leader, who is a former student at Yale University (Chemistry), he heads the Western Region of the United Auto Workers, AFL-CIO (California, Oregon, Washington, Arizona, Nevada, Utah, Idaho, Alaska and Hawaii). Served as Administrative Assistant to UAW [redacted] the local union during the 54-day strike against North American Aviation in Los Angeles in 1953. He is an active member of the Democratic Party, Executive Committee of NAACP, United Civil Rights Committee and CORE.

b6
b7C

"Mr. SCHRADE stated that being granted the use of the auditorium was indeed a great civil liberties victory, brought about by the efforts of the ACLU which makes me glad that I am a member.

"MR. SCHRADE's speech dealt with the unemployment problem and with the evils of automation. He stated that the large corporations such as General Motors keep piling up huge profits through the use of more and more automation.

"The next speaker was DR. PAUL SWEEZY, Marxian Socialist, he received his Ph.D. from Harvard and was a member of the Harvard Economics Dept. for eight years. During World War II he joined the OSS and served in England, France and Germany. The latest of his many books is Cuba: Anatomy of a Revolution (with LEO HUBERMAN). He is presently working on a book on the U.S. Economy with PAUL BARAN of Stanford University. He was visiting Professor of Economics at Cornell and Stanford. Since 1949 he has been co-editor with HUBERMAN of the Monthly Review.

"MR. SWEEZY's opening statement was, 'I didn't know I had caused so much trouble.' (MR. SWEEZY was the target of controversy regarding the use of the high school auditorium because of his pro-CASTRO beliefs.)

"MR. SWEEZY stated that he had spent most of last summer in Yugoslavia. This country is not as Socialistic as they would lead you to believe, and subsequently, they have unemployment problems. Most Socialist countries suffer from not a large enough labor force, rather than an unemployment problem.

"MR. SWEEZY intimated that public ownership of all industry would solve the problem of unemployment.

"The next speaker was DR. PROCTOR THOMSON, an economist who has amassed a wide and enviable record of achievements, as educator, consultant and author. He is Professor of Economics at Clarement College; has been a Consultant to the Ford Foundation Fund for the Advancement of Education, U.S. Congress and University of Chicago; has been published in the Encyclopaedia Britannica, Journal of Political Economy, The School Review, Etc.

"MR. THOMSON stated that he would also like to offer congratulations in the Civil Liberties victory. He went on to say that his view would be opposite of the preceeding speakers. He stated that if you liked what you have heard up to now, you will not like what I have to say. The foregoing figures on unemployment are wrong. There is at the present time, one million people out of work less than five weeks, one million off from five to fourteen weeks, and another million off more than fifteen weeks. MR. THOMSON contended that automation does not bring about unemployment and cited the Bell Telephone Company's use of automation has created more employment with improved telephone service. He also cited that case in downtown Chicago where the large office buildings could employ teenagers at $1.25 an hour to operate elevators, but the Union demanded elevator operators be paid $2.40 an hour. This ran the cost of operating to over $10,000, compared to $8,000 with the employment of teenagers, and that with automatic elevators, the building could operate also at a cost of $8,000. Subsequently, most office buildings are installing automatic elevators. MR. THOMSON stated that unemployment could be cut by taking the $7,000,000,000. farm support program and allocating this to the public payroll for the three and a half million unemployed.

"During the question and answer period, ACLU attorneys A. L. WIRIN and FRED LKRAND made an appearance. MR. WIRIN took the rostrum and stated that there are probably informants from the FBI and the Board of Education who would report to the House Committee on Un-American Activities, and I would like to make a

"statement, which is not in secret, but is a well-known phrase, 'Mazel toff' (Yiddish congratulatory phrase meaning Good Luck.) MR. OKRAND also took the rostrum and stated that this was a great civil liberties victory and that the audience was to be congratulated for attending. This victory was brought about through the use of the application of the Civic Center Act.

"Those identified in the audience were:

ATTYS. A.L.WIRIN and FRED OKRAND of the ACLU arrived at approx. 10PM. and spoke briefly.

"Admission charge into the meeting was $1.00.

"The meeting was opened by the Chairman who indicated that PHIL KERBY who was supposed to chair the meeting would not chair the meeting because he had called a moratorium on any political meetings as a result of the death of President JOHN F. KENNEDY and in respect for the death of President KENNEDY.

"The speakers were then introduced as follows:

"DR. PAUL SWEEZY, economist.

"MR. PAUL SCHRADE AND DR. PROCTOR THOMSON.

"DR. PAUL SWEEZY related some of the problems which exist under capitalism which can only be solved ultimately by socialism.

"MR. PAUL SCHRADE related some of the unemployment and automation problems which are taking place throughout the country.

"DR. PROCTOR THOMSON related that he was proud of the capitalist system, the free enterrpise system and he, somewhat, debated DR. SWEEZY and MR. SCHRADE on expounding their socialist views.

"During the period the speakers were speaking three incidents took place. One was that a bus arrived with approx. 50-60-

"students who were going to picket the auditorium and sing. A police Sergeant diverted the students to one side and they sang on the side of the auditorium instead of the front where they were going to sing and march. They then reloaded the bus and left.

"The second incident was that MR. [redacted] of the Board of Education arrived at the scene and tried to push his way into the auditorium, past the people who were taking the tickets, without purchasing a ticket. Quite a verbal battle ensued between MR. [redacted] and PAUL PERLIN.

"The third incident was that the School Principal did the same thing as MR. [redacted] entered the auditorium without paying and demanded to enter as a private citizen. He was allowed to stay but after the argument he left the auditorium.

"At approx. 10 O'clock Attorneys A.L. WIRIN and FRED OKRAND of the AMERICAN CIVIL LIBERTIES UNION arrived and went on the stage and gave the history of how it was possible for DISCUSSION UNLIMITED TO beat the Board of Education on the question that the Board of Education had not allowed them to hold this meeting but they found legal ways to hold it. They received a standing ovation upon announcing that DISCUSSION UNLIMITED would continue to hold its discussions. b6 b7C

"The meeting ended at approx. 10:57PM as the contract would be up at 11:00PM.

"During the verbal battle between MR. [redacted] and PAUL PERLIN and the School Principal (two separate incidents) pictures were taken by the PEOPLES WORLD photograph and from conversation with SAM KUSHNER later it would be presumed the pictures would be published in the PEOPLE'S WORLD with the story concerning MR. [redacted] and the School Principal. (C)

"HARVEY O'CONNOR
Chairman, NCAHUAC
Little Compton, R.I.

"Dear HARVEY:

"Thanks for yours of the 29th and the efforts you are making in Rhode Island.

"I quite agree that we can well speculate on the possibility that the HUAC may enter the OSWALD investigations. [redacted] also, has written a thoughtful message today along similar lines to your own.

"Regarding my January schedule:

"I think it would be correst to assign both January 9th and 10th to Rhode Island. My calender note from [redacted] however, asked for Jan. 8 at Brown. Will you check this out with her? Either the 8th & 9th or 9th and 10th are o.k., but let me know your choice of the two right away.

b6
b7C

"Lets accept [redacted] judgement re sponsorship at Brown, and urge him to help [redacted] with promotion. Unfortunately for a MEIKLEJOHN influenced place like Brown, the best promotion always stems from unsuccessful efforts to ban one of us from speaking! Maybe you can get your nearby neighbor ROBERT WELCH to protect my appearance; that would triple any normal audience expectancy.

"In general, may I leave my full 2 day Rhode Island schedule in your hands? I do hope that you can also make arrangements at the University of Rhode Island; and that a private house party can be arranged in Barrington.

"Regarding [redacted] views on tactics in general and ACLU there in particular: [redacted] did sign Pickett's 2/22/62 N.Y. Times ad, and, and, he has agreed to serve on NCAHUAC's Committee of Sponsors. His anonymous phone calls must have come from the

"former, as we have not as yet publicized our own list [redacted] signature Brown Professor's Petition (Providence Journal - 1/14/61). Although he must be accustomed to such attacks, you might sometime let him know that Columbia's Chaplain, JOHN M. KRUM, an old acquaintance of JEAN's and mine from UCLA, has also become a sponsor of our NCAHUAC, - as well as the Deans of half a dozen theological seminaries. (C)

"ACLU has not yet decided its own tactics regardinh HUAC's appropriation vote in January 1964. Our local director advises me that he has written ACLU's Washington and National Offices recently, suggesting that they uhdertake immediately a private poll of our 20 votes of this past February 27th to ascertain how many would be willing to stand firm, and how many additional votes might now be available. Incidently, I think it important too, to note that he feels that the death of the President would give added emphasis to our anti-HUAC work. It might be well for you to suggest to [redacted] that he, too, write National ACLU to urge tactical preparations for HUAC's January vote; certainly, his thought of arranging a meeting between ACLUers there and your two Congressmen is good and should be encouraged. The 'Committee of 100' proposal doesn't at all or necessarily appeal to every community, - particularly in Rhode Island where so many academic leaders have done so within the past 2 years. However, I wouldn't give up on it unless or until [redacted] can come up with a better (for Rhode Island) tactic. You might mention the good experience that our [redacted] had at Princeton in working for the support of Congressman FRANK THOMPSON. There, and this was an important part of their tactics, the 187 signers of a letter to THOMPSON did so 'privately'; there was a deliberate plan to have no publicity, and, it seemingly worked. Talk with [redacted] about this [redacted]. (C)

"The meeting was primarily concerned with the proposed by-laws of the Centinela Bay Human Relations Committee. The major portion of the discussion was concerned with Article III, Section A which states in part, 'a member is anyone who resides or works in the stated area (IIB), subscribes to the stated purposes of this Committee, and whose dedication to the principles of American Democracy is not compromised by adherence to any totalitarian doctrine.'

"TOBY GOODMAN expressed herself as being very much opposed to the inclusion of this statement. OLA PACIFICO Was also opposed and in particular to the word 'doctrine' on the basis that this word had to do with 'ideas.'

[redacted] who was on the Committee to draft the by-laws, defended it on the basis that it was sifted out of CORE's by-laws. He stated that many organizations including CORE and ACLU had such disclaimer type clauses. [redacted] felt it would not help because people would call their organization a communist Front whether or not they had that clause in their by-laws. As an example, he cited SANE's having a clause of this type and yet they are still attacked as being a Communist Front 'even though I know they aren't.'

[redacted] was in favor of the clause but declined to give any reason for it.

[redacted] was in favor of it because he felt it was needed by members whose jobs depended on retaining secret clearances. He said he would feel much better if he had a disclaimer clause of they type to show his security officer if he was ever approached. b6 b7C

"He stated that he had been asked to file new security papers 'since the Forum at Torrance High.' (Aug. 17, 1963). He further stated that friends of his had recently been approached by Air Force Intelligence concerning himself and he wondered why they hadn't just gone to the FBI instead. [redacted] asked [redacted] if the Security Officer wouldn't get him if he wanted to; whether the disclaimer clause were in their by-laws or not. [redacted] said they weren't out to 'get' anyone, only to keep themselves clean.

"A motion was made by [redacted] to present the by-laws, completely as they are now written, to the membership for acceptance at the next meeting. The motion was defeated. The motion was then made to present all but Article III, Section A. This motion passed.

"Members were asked to submit their arguments, pro and con, on the disclaimer clause to [redacted] so both sides could be given in the next issue of the 'Progress Report.'

Facts of complaint C. advised that S. was going to have a meeting at the Westdale Savings and Loan, address above, at 8:00 pm on the evening of this date. C. advised that a member of the John Bircher Society who works at his real estate office had telephoned the Westdale Savings and Loan and reprimanded them for allowing this meeting. C. stated that the speaker at this meeting was to talk on the Abolishment of the House UnAmerican Activities Committee. C. was asked if he was going to attend the meeting and stated that by "all means" he expected to go with his wife. C. volunteered to attend meeting, to take license numbers of car present and to advise what was said at this meeting.

C. advised at 10:50 pm a series of Calif. license no. he obtained of cars parked outside of the meeting. C. explained that some of these could be those of 5 or 10 John Birchers who attended. C. advised that later he could advise the other licenses which were parked in the adjoining parking lot and that some of these could be those of occupants at the Pancake House.

C. stated that he had a letterhead of the names of those who sponsored this meeting and that he would forward this. C. picked this up at the meeting and apparently this was addressed to [redacted] from S. C. called later in the evening to furnish the additional license numbers and he volunteered to mail the numbers with a summary of what happened at the meeting. He stated that Frank Wilkinson was there with others. On 2-22-64 SA Roderick received the attached two page typ-written copy of info. signed by C. together with the list Nationally of the Comm. to Abolish the HUAC, also the envelope address to [redacted] which contained a copy of the OPEN Forum dated February 1964. Xerox copies of C's report were made together with the list Nationally of the Comm to Abolish the HUAC, which are attached. It is noted that the only variance with the lists of license numbers set out in C's report and those which he had telephoned in are the following which were supposed to be all alike: ONC 062 could be QNC 062; JSH 007 was given first as JFH 007; GAS 469 was given as GAF 469 the first time; all license following the latter on C.'s report were in the adjoining parking lot. No record in indices on C.

Action Recommended Route copies to 100-16439, Frank Wilkinson; 100-3267 Am. Civ. Liberties Un.; and 100-59609 to the Nat. Comm to Abolish HUAC.

A meeting of [redacted] C.P., SCD, was held at 8 P.M., [redacted] at Hungarian Center, 1251 S. St. Andrews, Los Angeles. The meeting was chaired by DOROTHY HEALEY.

b7D

A number of announcements were taken up first:

A) [redacted] 10 A.M., at 1251 S. St. Andrews. The subject to be the CDC Convention. All comrades were asked to check with delegates from their area, to get all information possible before the D.C. meeting. DOROTHY also touched on a few other points, such as the weaknesses of the resolutions being presented at the CDC Convention, though a progressive block is bringing in alternative resolutions; the fact that although Roosevelt, Cranston, and [redacted] are equally acceptable to the left as candidates for U.S. Senator, no split in our ranks must be permitted after the choice is made. The key campaign will be in the 23rd C.D., where, unfortunately, the COPE forces have endorsed [redacted] over [redacted] the coalition candidate. Her remarks on the CDC were supplemented by [redacted] who urged attention to the election of members of the County Central Committee.

b6
b7C

B) The Civil Rights March on March 28th in Los Angeles. It was urged that area committes be set up to support the March, composed of forces from WISP, ACLU, etc. Also to organize Motorcades from the areas to the March. The next March meeting was announced for March 4th, at the Congregational Church, located at 4601 Prospect Ave., Hollywood.

BEN DOBBS then took over from DOROTHY HEALEY and made some further announcements:

CONFIDENTIAL

A) The distribution and sale of the GUS HALL pamphlets, "Which Way,USA, 1964?".

B) The P.W. Financial Drive is to start officially on March 1st. All areas asked to reach at least their last year's quota in the drive, and to do it FAST. A circulation conference on the P.W. was announced for Tuesday, March 10th, at Hungarian Center, 1251 S. st. Andrews. It was stressed that this is a C.P. Conference only, for an exchange of experiences. One comrade from each club is to be assigned to attend the conference.

C) A request for Congressional District Coordinators from all community sections of the C.P., SCD, whose names will then be matched to the coordinators from the trade union sections for joint activity around the elections.

D) A REQUEST for names of all comrades active in any phase of the Negro liberation struggle.

E) A meeting of all section org. secs. will be held regularly on the first Tuesday of each month, at 1251 S. St. Andrews.

F) Importance of the Rube Boroguh affair on March 6th was stressed, especially since it opens a new place to meet and also is the source for funds to fight the McCarran Act.

This concluded the announcements, and DOROTHY HEALEY went into the report on Automation, which she stated was discussed at the December meeting of the National Trade Union Commission, C.P., USA. She began her remarks by stating that the C.P. has no answer to the crisis of automation except socialism which cannot be raised realistically at this time before the American working class. However, there are some

CONFIDENTIAL

intermediate steps which must be taken to move the working class toward this goal. She traced the crisis created by the closing of the Studebaker plant, the railroad crisis, the layoffs in all industries, etc., and stated that no increase in production will solve the problems created by automation. This is a problem inherent in the capitalist system in which some of the industries are automated and some not. There has been a serious attrition of membership in the trade unions as a result of automation, with the unions fighting only for the men still on the job, in terms of regulating the work load, without trying to solve the overall problem of the economy created by automation and mass layoffs. As immediate steps, she proposed the following:

A) A program of rank and file struggle to find answers.

B) Labor unity is essential since the problems of automation cannot be solved either in one industry alone, or by one union alone.

C) Automation has created both a social and economic crisis; therefore there must be a social attempt to win control of the results of automation.

D) Shorter work week.

E) Special attention to the depressed areas.

F) Education for socialism. Relating of the fight for control of automation to the civil rights struggle, peace, etc.

G) A crusade against raiding in the unions.

H) Reactivize the rank and file to struggle.

The report was followed by discussion, and one proposal was made which was referred to the District for action: this was a series of "tract" size pamphlets for mass distribution, raising one issue in each, on such questions as unemployment, automation, taxes, etc.

The next meeting of the group was set for [redacted] at 1251 S. St. Andrews. The meeting adjourned at 10:35 P.M. Present were: (X)

[Febru[redacted]9, 1964]

The Centinela Club, C.P., SCD, met on Tuesday, Feb. 18, 1964, at 8 P.M., at the home of BALI IORIO, 1924 Curtis Ave., Redondo Beach. The meeting was chaired by SVEN FALK.

FALK announced the agenda which was accepted. CHAN WESTON asked to be excused at the end of one hour to get some sleep before starting work on delivery of P.W's to racks. This was granted.

The educational was the first point on the agenda, and was the report from the District Council meeting of Feb. 5th, at which time BEN DOBBS gave the report on "Party Renewal". FALK's report was supplemented by ELSIE MONJAR and [redacted] and was followed by discussion. b6 b7C

At the conclusion of the discussion, [redacted] proposed that the discussion be continued at the next meeting, and ELSIE MONJAR sold copies of the GUS HALL pamphlet on "WHICH WAY, USA, 1964?"

Next point on the agenda was a report by [redacted] on membership, dues, and sustainer. He commented on the fact that all club members were present, with the exception of STEPNANIE PERLSTEN. He then raised the question of increased sustainer, and pointed out the goal set by the District (C.P., SCD) to reach a sustainer of $2.00 percapita per month. [redacted] pointed out there was always a surplus in the club treasury and it was voted to try to increase sustainer to $30.00 per month. The matter was set over to the next meeting for pledges, which were projected in terms of using the "tax cut" benefits, cigarette money, etc.

LARRY PACIFICO was given the floor on the P.W. He first gave a report on the last affair And stated we made $107 on the affair, after payment was made for the liquor, most of which is still on hand. He proposed selling the liquor to whoever would buy it. OLA PACIFICO (tightlipped and self righteous) stated we should not have liquor at our affairs, and she was seconded by [redacted] who said she would "not bring her children to a place where THAT STUFF was sold". This created a real donnybrook which lasted the better half of an hour, ranging from the ethics of an occasional cocktail to the dangers of drunken debauchery from the presence of a bottle. SVEN FALK finally called a halt to the discussion and it was decided to hold a "Pizza Bust" at which liquor would be dispensed for the next P.W. Benefit, with those who felt this was wrong, permitted to stay home. [redacted] b6 b7C proposed a discussion in the exec. on methods of broadening the participants in our affairs by members of ACLU, CBHRC, etc., and this was referred to the exec.

The question of completing the quota was then taken up. PACIFICO remined the group they had accepted a quota of $750 in the drive. To date $147 has been collected, with a total of $460 in personal pledges made.

The next meeting of the club was set for Wednesday March 4th, at the home of [redacted]

The meeting adjourned at 10:35. Present were:

She also reported that the brother of the priest came to L.A., called the Attorney General and found out that the Committee is on the list and that the ACLU, which was also trying to get into the act, was not clean. The priest then sort of washed the Committee out of the planning but still intends, as of this moment, to attend the Conference of the LACFPFB on March 21st next to speak on the Walter Mac Carran Act. Los Angeles, Calif." (C)

"On All day conference sponsored by the Youth Action Union as part of a National Marxist Orientated Youth Group- and specifically attached to the Western region, that also encompass Seattle, Washington, Denver, Colorado, San Francisco and etc. (C)

"The meeting held Saturday from 10:30 until approx. 5:30 dealt more specifically whit a report to be written and presented at the National Youth Conference to be held in Chicago around the 21st or 22nd of June, 1964. The West Coast regional breakdown were to write on three specific subject, peace - Negro Revolution and Labor. (C)

"Appearing as guest speaker was MR. FRANK WILKINSON, Executive Director Field Representative of the National Committee to Abolish the House Un-American Activities Committee. (C)

"MR. WILKINSON who was to have spoken for 45 minutes actually exceeded that greatly when he spoke for an hour and a half. The topic of his speech was what is now being done to abolish the house Un-American Activities. The theme of his attack centered around the first ammendment and the need to relate the danger of the HUAC in relationship to Civil Rights. He showed pictures that Gov. WALLACE had alledgly shown proclaiming that REV. MARTIN LUTHER KING had attended a Communist training school and how ironicial it was that in other civil right demonstrations that the HUAC camermen had only been interested in snapping pictures of communist supporters. He also mentioned that the southern blocs are now farming their own HUAC and that just recently in the state of Louisiana, REV. SHUTTLEWORTHS and [redacted] have been charged and are requested to register as agents of a subversive organization and that other southern states are following suite. (C) b6 b7C

~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

LA 100-62315

"He also had warm words of praise for Congressman PHILLIP BURTON of the House of Representative and Congressmen GEORGE BROWN and DAN FRAZIER. These men he said were carrying on a terriffic fight to have HUAC abolished. He did mention that we have a few friends in Congress but did not eleborate by what was meant by the terms we and friends. He urged everyone to write letters to Congressman PHILLIP BURTON thanking him for his excellent support and straight forwardness in carrying out his fight to have the committee abolished. He spoke about the CDC convention and why he felt that CRANSTON should change his mind in saying that HUAC should be maintained but that more liberals should be appointed to the committee. He said we should show MR. CRANSTON that his ideas are non-workable and only with the complete abolishment would be sufficient.

"After the report a few questions were asked and then the group broke up into seven sections. Seven people had been chosen to lead the discussion and they were to later combine the thinkings of the combined group and formulate a report to be presented at the regional meeting to be held in San Francisco the weekend of March 27th, 27th and 29th.

"There were some 60 people present including a number of people from various organizations such as CORE, SNCC, Valley CORE, ACLU and etc. of those present were:

"AUGUST MAYMUDES
CAROLYN MAYDUDES
FRANKLYN ALEXANDER
MYRNA NATIVADA
FLOYD WALLS

Defense of ACLU Made to Council

The American Civil Liberties Union Burbank-Glendale chapter defended itself before the City Council against charges hurled at it by some of those who opposed the use of the Burbank Library by the Human Relations Council.

Herbert Livingston, who identified himself as the chairman of the newly formed Burbank-Glendale unit, told Council that the work of the ACLU had been praised and commended by three Presidents of the United States.

Arguing against the use of the library by the Human Relations Council with which the ACLU is cooperating in support of the Rumford Act, Richard W. Earle, 1224 Whitnall Highway, said, "The majority of actions of the American Civil Liberties Union have a long history of Communist background."

Answering the allegation, Livingston read detailed commendations of the work of union in defense of freedom in this country, signed by Harry S. Truman, Dwight Eisenhower and John F. Kennedy.

Livingston said he realized that the opinions of our Presidents were "not too highly honored by some of those who object to the work of the union," but he would rest his defense on their commendations.

ROOM 202 / 323 WEST FIFTH STREET

Rod Serling, Chairman

April 1964

Dear Friend,

I am writing this letter because I believe that you as a teacher and I as a writer can no longer remain disassociated while the kind of America we stand for is being corroded by racial hate, mob ignorance and violence. I am also writing you because historically, by the very nature of what we are, the teacher and the writer have been natural allies against oppression of every kind and in every era. United we have always been among the strongest forces of justice and reason. Divided, we have always been among the first to be suppressed. For these reasons I believe we must join forces again, now, to defeat not only demagoguery wherever it exists, but also to combat those who are so industriously promoting real estate "values" over human values here in California.

Because much of the coming struggle will be fought in the courts, I am therefore asking you to join all of us in the American Civil Liberties Union. ACLU has been in the forefront of the legal battles for every American's civil liberties and civil rights for over forty years. For the writer, ACLU has consistently fought against censorship. For the teacher, ACLU has consistently fought for academic freedom. The famous Scopes' "Monkey Trial" is only one example. And in the Negro's current struggle for freedom, ACLU is again consistent: our committees are included in vital inter-racial and intergovernmental negotiations -- ACLU lawyers are volunteering their time to furnish emergency legal aid -- the ACLU Arts Division is promoting better understanding of the issues via radio, TV and public appearances. All of this work is in addition to the legal and legislative efforts in other vital areas of civil liberties.

To continue this work successfully, we need an ever-growing membership -- and more people like you. So I am asking you to join with us by sending your check for $5, payable to ACLU, in the enclosed envelope. Please do it now.

Sincerely

Rod Serling

School-Prayer Foe Seeks New 'Start'

The Long Beach school district today claimed a "first-round victory" in the battle over the nursery school prayers.

The American Civil Liberties Union today tried to withdraw its request for a temporary injunction halting the prayers in a letter to Los Angeles Superior Court Judge Macklin Fleming.

Fleming has had the case under consideration since Friday when he heard two hours of testimony.

Fred Okrand, ACLU attorney, said that its temporary withdrawal of the request for the ban remains subject to the judge's approval.

* * * *

"THIS IS a clear-cut victory in the first round of the case," said a spokesman for the school district.

Hwever, Okrand said school system attorneys raised "factual issues" which should "be resolved more specifically" before the judge rules.

If the withdrawal is approved, Okrand said, the ACLU will "start trying to gather facts" and probably file again for a preliminary injunction. The request is seen as the start of a possible long court battle.

THE ACLU filed the case on behalf of Arnold Wayne McCartney and his 4-year-old daughter Marie, who attends the Horace Mann nursery school where the pre-luncheon saying of grace is held.

Judge Fleming heard the opposing attorneys challenge each other's stand as unconstitutional at the first court session.

Subsequently, attorney Joseph Ball for the school board cited a "newly discovered" New York case in which it was ruled last year that pre-luncheon prayers were legal in kindergarten. He also asked for a change of court site to Long Beach.

Mulford . . .

To the Editor:

As President of the Bruin ACLU and as a UCLA student I protest assemblyman Mulford's proposal that students and teachers with two arrests be considered for expulsion from state universities.

The final criteria for university attendance should be academic ability. "Moral qualification" has long been the defense of those who would supress academic freedom. The expulsion of students for arrests would amount to punishment without due process, and could affect students who had their charges dropped or were found innocent in the courts. It could especially injure members of minority groups since they are often arrested unjustifiably.

This proposal is aimed at civil disobedience by college students, and is particularly

(Continued on Page 8)

MULFORD . . .

(Continued from Page 5)

ironic since civil disobedience goes back to the American intellectual tradition of Thoreau and Emerson. Civil disobedience and moral and intellectual stature have frequently gone together. It would be a shame if the University were put in a position where it would have to expell a Martin Luther King, a Nehru or a Bertrand Russell.

4) Cont. Sam suggested last time that he might cook Ben and me a lunch (it was really my idea - he claims he's a cook) so ask Sam if he'll get hold of Ben and cook up a "lunch" at his house (sort of funny). Also call Ben and talk about the possibility for a larger or extra contribution this time for the pamphlet. The lunch should be next Monday or Tuesday when I return.)

6) You mail the Long Beach petitions etc. as per our talks in LB to [redacted] - airmail special.

EX-DISHWASHERS—Stephen Sublett, at left, and his friend, Zane Monroe, study their arithmetic calmly, unperturbed by controversy created when young Sublett refused to sign loyalty oath in order to retain dishwashing job in West Covina School District. Suit filed by ACLU on Sublett's behalf will be heard in Los Angeles Superior Court.

Student Dishwasher Taking Loyalty Oath Case to Court

Whether a 14-year-old student should have to sign a loyalty oath in order to wash dishes in a school cafeteria will be the subject of a hearing in Los Angeles Superior Court Friday.

Judge Macklin Fleming will hear the request of the American Civil Liberties Union for an injunction against Clifford Thyberg, superintendent of the West Covina Unified School District, on behalf of Stephen Sublett, eighth grader at Hollencrest School.

Stephen lost his dishwashing job, which earned him free lunches, after his parents refused to let him sign a loyalty oath which the school district requires of all its employes.

Stephen mentioned the loyalty oath requirement to his parents, Mr. and Mrs. Charles Sublett of 2105 Rio Verde Drive, West Covina, who were incensed at the idea that a pupil should have to sign such a document in order to wash dishes.

One of Stephen's friends, Zane Monroe, had signed the oath earlier, but now has joined young Sublett in the ex-dishwasher category.

Stephen's father, an electronics plant supervisor, contacted the ACLU, which agreed to handle the case. They brought suit on the basis that the oath is illegal, unconstitutional and abridges the right of freedom of conscience, thought, speech and assembly and privacy of opinion.

Thyberg replied that the oath is necessary for all school district workers so that they can qualify as state employes for insurance payments if they are injured on the job.

"An Award Banquet sponsored by the Unitarian-Universalist Fellowship for Social Justice, Los Angeles Chapter, was held at St. Nicholas Auditorium, 2300 West 3rd Street, Los Angeles, California, on the Friday evening of April 17, 1964.

"This banquet was held to present an award to Dr. JAMES A. DOMBROWSKI, Executive Director of the Southern Conference Educational Fund, for major contributions in the field of Civil Rights and Liberties. Master of Ceremonies for the evening was MILTON MC FARLANE. He introduced Dr. EASON MONROE of the American Civil Liberties Union, Rev. STEPHEN H. FRITCHMAN of the First Unitarian Church of Los Angeles and JEAN WILKINSON. Each of them said a few words. Dr. MONROE spoke about the activities of the A.C.L.U. and its importance. Rev. FRITCHMAN explained the award to be presented and said a few words about Dr. DOMBROWSKI. JEAN WILKINSON gave the usual appeal for contributions to the S.C.E.F. explaining its purpose and importance.

"The main speaker for the evening, Dr. DOMBROWSKI, was then introduced. The major portion of his remarks dealt with the raid on his office by local and State authorities in which he was arrested and all his files and records confiscated. He almost had the people in attendance in tears from the way he told about what happened during and after the raid. He made the authorities sound like the Gestapo. Dr. DOMBROWSKI also spoke for awhile on the Civil Rights movement.

"Several people in attendance were introduced at one time during the evening. Among them were:

"Mrs. FRITCHMAN
Mrs. MC FARLANE
Mr. and Mrs. EARL WALTER
RONALD SPRIESTERSBACH
RUTH TOWBIN

"The first point on the agenda, DOROTHY HEALEY reported, was a report on an incident that happened at a planned party which was held at the home of Attorney FRANK PESTANA after the youth picketed the Sheraton-West Hotel. DOROTHY HEALEY related that the following things took place:

"She was not too clear about it but she knew this morning that a person had been arrested on a warrant and that person was [redacted] and that [redacted] was already out on bail because he had expected to be arrested and had made previous arrangements for his bail. DOROTHY related that there were approx. 200 persons at this party and there were cars illegally parked. This is a very difficult place to park as it is up on Mullholland Drive. There were police around the area and a patrol car noticed a person backing across the street from the party at which point they stopped him and talked to him. They let him go and told him to go back into the house. When he got half-way between the house and the policemen they policemen hollered, 'Hey, stop.' He proceeded to run into the house and the officers ran after him but they were met with resistance at the door, mainly in the name of [redacted] indicated to the officers that they could not come into the house without a warrant but eventually the officers went in the house and brought the fellow who had run away out of the house. In the meantime [redacted] came out of the house waving his press card

b6

"and saying that they couldn't do this. The officers proceeded to take [redacted] also. The persons were then taken to the police station and one, [redacted] was released but was later re-arrested on a warrant. DOROTHY reported that at the police station, after talking to some of the students, they saw two girls there who are employees of the Sheraton West Hotel and who were also at the party. The officers who arrested [redacted] on a warrant were in levis and tennis shoes and were also at the party.

"DOROTHY HEALEY was critical of the [redacted] for leaving the house alone and turning it over to teenagers. They were not present when the incident occurred but arrived shortly thereafter. The [redacted] have since made the statement that they will never loan their house again to this teenage group. DOROTHY HEALEY then indicated that a defense committee is being formed for this group. Lawyers have already been obtained. The negotiations for tomorrow is going over to the Sheraton West Hotel, and EASON MONROE of the ACLU is going over with the delegation. One of the strong points the delegation will use is the conclusion that the hotel and the Los Angeles Police Department were in cahoots and had set up this incident as the girls who were waitresses or worked at the Sheraton West Hotel were also at the police station. b6 b7C

[redacted] then added that [redacted] had been arrested but altho he had been taken to the police station he was released but had been arrested later on on a warrant charging him with the sale of liquor and selling liquor to minors. [redacted] indicated that [redacted] was not serving liquor. He was there as a guest, although there was beer at the party.

"DOROTHY HEALEY indicated that the only one who has reported on this incident has been GEORGE PUTNAM. He has reported it in a very bad light and there are indications that it may turn into a major case. DOROTHY said she will report more on this incident at the next meeting. DOROTHY then called on [redacted] to report on a meeting of Negro Comrades which was held in the Chicago area recently and which meeting [redacted] and [redacted] attended.

CONFIDENTIAL

[redacted] then proceeded to give his report. He reported that he and [redacted] had gone to Chicago and attended a two-day meeting of Negroes in the Communist Party in Chicago. Basically, what came out of this meeting was some reports on the question of the Negroes and the coming election. The dividing point of the report was that in the Eastern part of the United States the Communist Party feels that NELSON ROCKEFELLER must be a greater danger in the obtaining of Negro votes than BARRY GOLDWATER. [redacted] indicated that his feeling was the same feeling than ROCKEFELLER. [redacted] said that the East analyses that ROCKEFELLER has quite a liberal point of view on the question of Negro rights and Negro representation and is therefore able to draw a certain amount of Negro votes which can be seen by the fact that there had been some Negro rallies held in the East. Also, in the West GOLDWATER was drawing some Negroes to his election. (C)

[redacted] continued, that at the Chicago meeting he took the position that BARRY GOLDWATER, as a representative of the ultra-right, presented a much greater danger than ROCKEFELLER. [redacted] indicated that this was a very unpopular position he took and that he had numerous talks with Comrades from the East on this question. (C) b6 b7C

[redacted] reported that basically she was sick most of the time she was in Chicago and she was unable to attend most of the convention which took place. Basically, she felt that a bad situation existed, and this was that [redacted] from San Francisco had been placed on the National Negro Commission of the Communist Party and she felt that this now placed [redacted] on the National Committee of the Communist Party and so now San Francisco has obtained a member on the National Negro Commission, and the fact remains that the Southern California area does not have a national representative on the national Negro commission. (C)

"DOROTHY HEALEY then felt that [redacted] should indicate to the National Committee that there is some displeasure on this and that Los Angeles is the second largest district in the United States and some recognition should be (C) b7D

"given to it. The only time it is recognized is when it is necessary to raise money and then the Los Angeles area is called upon to raise the largest amount of money outside of the New York City area.

"DOROTHY HEALEY then indicated that she had communicated with the National Committee and received information that for the First of May meeting it was very unlikely that GUS HALL would come to the West Coast. Most likely GIL GREEN would be the speaker at the MAY 1st meeting.

"The pamphlet, 'COMMUNIST COMMENTARY' by DOROTHY HEALEY was then given to each member. It is a reprint of a speech that DOROTHY had made over station KPFK.

"A discussion was then held relative to running a Communist Party member in the [redacted] race to run against [redacted] After some discussion it was decided that [redacted] would be the candidate to run against [redacted] mainly because the area encompasses a large Negro population and as yet [redacted] who had announced he might run against [redacted] has not officially announced it. There was the possibility that no Negro would run against [redacted] and so the logical choice would be [redacted] over DOROTHY HEALEY relative to running in this particular area. It was MSC that [redacted] be the candidate to run against [redacted] in the [redacted] race. The actual decision whether he would run, after reviewing all the facts again, would be left to the staff of the Southern California District, Communist Party. The main danger being that [redacted] is now working for a very conservative law firm and this might affect her position. b6 b7C

[redacted] brought up the point that [redacted] would never tie-in the name of [redacted] a Negro, to [redacted] a white woman.

[redacted] reported that he never goes to pick up [redacted] at work because of this situation because her boss is very anti-Negro.

~~CONFIDENTIAL~~

LA 100-1763

"The meeting was then adjourned. The next meeting was set for MARCH 26, 1964, at the home of DOROTHY HEALEY, at 8:00 PM. BEN DOBBS was instructed to report on the success of the different meetings which are taking place throughout the SECTION on PARTY RENEWAL at this meeting."

LA 100-1783

"FRANK LOPEX--chairman until REV. WALTER MITCHELL arrived. National Anthem--led by ANITA ROSTODHA-audience sang in disinterested way.

"REV. S. FRITCHMAN---Break down barrier between citizen and non-citizen. False division of Right and Left dangerous--dangerous to be on center.

"Right---Reactionary, for economics and privilidged--thought control--error--violence--resulting in Dallas and Birmingham, nuclear war, Viet Nam, anti-race and anti-negro, anti-law, standard of living and jobs.

"Left---Associated with labor--Civil Liberties-peaceful co-existence.

"Must have Democratic pressures--Statute of Limitation major changes in quota system.

"REV. W. MITCHELL---Read telegram from LOUISE PETTIBONE SMITH about repeal of MC CARRAN ACT and necessity to work.

"GEO. LEE---Read greetings from Local 26 ILWU. Foreign Born and minority struggle one and the same. Pres. of the Labor Organizations. NAACP, CORE, CSO groups to meet and co-ordinate and discuss problems of jobs - equal rights, etc.

"DEL. VARELA---Victories CPFB have won, opens road for making political pressures and movemnts to enact laws. Again CPFB can contribute to laws. Victories of CPFB beginning to see dawn-Naturalized citizens are discriminated against as a group in U.S.

"1st step--Repeal MC CARRAN and WALTER MC CARRAN Acts, get Statute of Limitations, most important for For. Born in L.A. Second, third and fourth generation of family closley associated with immigrant who comes to L.A. because years and years go by and they can be deported anytime.

 ~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

LA 100-1783

"When people who lose their jobs on account of automation, go to Mexico and try to return to U.S. they can't get in.

"Drive in progress against Mexicans and Mexican quotas, same as mass round-up of 30's.

"Unless Stat. of Lim. is passed, this condition will get worse.

"First step to take is for permanent residence. Said he asked Pres. KENNEDY about immigrant problem, Pres. KENNEDY said it is hard to get people interested about immigration, that some people would like to eliminate immigration entirely.

"Now drive on for equality for minority groups. Link and join F.B. and Civil Rights movements. Urge C.P.F.B. can work to eliminate discrimination to F.B.

"DR. EASON MONROE---Threat now in Calif. Legislature---Initiative against Rumford Act---threat against Consitution.

"Constitution must not grant right to discriminate an acc't race, color, religion. Regression in Calif. example to all U.S. Situation alarming-re Init. whether on June or Nov. ballot. There is no organized pressure to work against Init. being on June ballot.

"GOV. BROWN said it would be on Nov. ballot. Urged everyone to write, wire, telephone Calif. Senators on Monday, to vote for Init. on Nov. ballot-Hold him accountable, don't let him off.

"Everyone must work to get votes against Init.

"REV. MITCHELL---mentioned DR. NEIMEULLER (ph sp)

"SARAH GILBERT (ph sp) replaced NATHAN GARFIELD---

~~CONFIDENTIAL~~

LA 100-1783

"Said Pres. KENNEDY was a friend, blamed his assassination on Right Wing.

"Duty to carry on ideals of Pres. KENNEDY---greater responsibility now to understand minority problem.

"HUGH DE LACEY---vice chairman for ACLU Info. Center. Three judges said CPFB must register as Communist organization. One judge appealed--said decision made it dangerous for any group of citizens to follow any policy in conflict with the Fed. Gov't. Both MC CAR. Act and WALTER MC CAR. Act adverse ruling handed down. The decision spread talk among everyone, did much good. Judges of majority said fine things about ACPFB, then voted against it. Said ACPFB fought against Internal Security Act and fought in behalf of Communist members and enlisted many good people to do this. Bazilone (ph. sp) judge dissenter, said Gov't failed to prove that ACPFB was Communist organization. That majority of members were laudable, historically and factually. These statements were doing good. Court decision punishes that which is praise worthy; that MC CARRAN ACT was unconstitutional, dirty, rotten, stab in back of certain people. Time is passing---We can reverse laws-make changes in unjust laws. Changes are going to be made in U.S.---quoted Dr. [redacted] re automation and that State must adjust for jobs---that new social structure coming to U.S. Right used MC CAR. Act to destroy rights of people--now all must take steps to work for CPFB effort.

b6
b7C

"HELEN TRAVIS-----Said she was charged with crime of making 2 trips to Cuba. " JOHN TRENON (ph. sp) was asked to meeting but could not come. 2 in San Francisco indicted re: Right to Travel-Zeno Brockman and HANK SEGAL (names ph. sp), charged with using passport. Americans should not be made to pledge re: Comm. Party when applying for passports.

"Gov't should not pry into beliefs of those applying for passports.

~~CONFIDENTIAL~~

LA 100-1783

"REV. W. MITCHELL-----Passport business is and should be, when where and how to travel.

"ROSE CHERNIN---Mar. 17, Pres. JOHNSON said time for U.S. to make equalization for all--no room for 2 classes, citizen and non-cit. Asked Congress to make plans to change MC CA and W. MC CA. Spoke of Prs. KENNEDY's assassination Right Wing affair. Ultra Right Wing filed petitions with 800.00 names to place Init. on ballot.--must defeat it.

"F.B. set back in Dec. 63-2-1 decision to order ACFB to register as Comm. organization. If F.B. have to register no committee is safe in U.S. Gov't failed to prove that F.B. aided Communists. F.B. Committee appeals---support C.P. FB.

"Broaden progress and co-operate with others in right to travel.

"L.A.CFB gained victories in 32 cases. Deportees now Victory Club. Now all are going to petition for U.S. citizenship. Evidence now being studied in DAVID HYUN case- Case will be appealed to U.S. Supreme Cout.

"WM. SAMUELS---Spoke against MC CA. Spoke of Bimbo Freedom of press case-- Said LITHUANIAN U.S. citizenship who is wanted in Lithuania for war crims. Gov. BROWN should be congratulated on making Oct. 28, For. Born Day F.B. to-rally that day. Urged support of Cellar Hart Bill -S1500-S1501-S1932, Stat. of Lim--FB must campaign and work for passage. Workshop Groups --- Legislation.

"SAM TITLE---Chairman--- Appointed Legislative director to C.D.C. Long Beach Convention - had 10 assistants, on Fri. 7 on Sat. Distributed and displayed literature -- was received by 'big shots.' Most CDC interested and took literature. CDC surprised and shocked about FB re: deportation etc. Introduced 10 yr. Stat. of Lim. Bill. Congressmen BROWN and ROOSEVELT said LACPFB doing good job. "and time again, harrass them, force them to pass bills- CDC said rather than working for Stat. of Lim. they would work to revise MA C and WMcCA from A-Z.

"SARAH GILBERT---Congratulated CPFB on new approach. Get people to fight way to vote to repeal MC CA and WMcCA. Stat of Lim. Put in layman's language for more effectiveness.

"ETHEL BERTOLINI---Asked for changes, said CDC may set them back, too general, too broad. Get Senators MORSE and HART to call for S. of Lim. 'This year we can get it passed.'

"Urged-launching petition from West Coast to pass resolution to pass S. of lim Bill 1932 re: quota system. Launch petition and keep going. Bo to Wash. D.C. with thousands of names.

"Man---Program for '64-place emphasis on legislative problems for S. of Lim. McCA and WMcCA. Time a definite legis. program. No bargaining or compromise with CDC. Concentrate and demand repeal. Join all forces Nat. Committees of all other organizations. Petitions are good- Support proposal to interpret bills in layman's language. Find out how to use effective procedure to get bills out of committee and on to the floor, in the House.

"BLANCH SPEIGLE--Emma Lazarus Group--All out campaign over entire U.S. must petition to support Bill in Senate. Educational campaign--and campaign to get 1,000 signatures. Constituents visit Congressmen.

"HOLZMAN---Law on crime is 5 yrs. S. of Lim should be equal to crime.

"MOLLIE BEXTRA ---Spoke of referendum.

"SARAH GILBERT--Work closely with CLICK

"JIM Italian Nat. Group--Catholic organizations working on immigration quota, will work with them. Resolution by CDC only publicity stunt-felt let down by CDC. Put seeds in minds of grass roots CDC movement---they are very sympathetic.

"Every man should be treated with respect by Gov't. S. of Lim. much needed legislation -- much work to be done. Dangerously close to hour of-no return, re: Germany in 1933. Right Wing more bold--spoke in Fresno. Facists replace Democratic concepts. Symptoms now visible in U.S. Killer drive now on in U.S. by Right-Rejection of honest dialogue-Serious sign. Passion-obsession of R. WING resulted in Pres. KENNEDY's assassination. JOHN BIRCHERS picketed when he spoke recently. Right Wing rise is too much danger of becomming Facist nation. McCA and WMcCA, racist -- makes inferior people. People have to register, like 'Police State.' Cruel, vindictive. Judge LEARNED HAND said McCA and WMcCA, medieval-TRUMAN, EISENHOWER, KENNEDY asked to have it revised-Imperative, now.

"Justice JACKSON said--savage penalty. Support MORSE-HART bills liberalize quota laws. World has changed, colonialism gone forever, laws must catch up. Defeat of HITLER was result of such laws. That we dare not foget that the job is unfinished. Poverty will bring down U.S. in time. Legislation of the two Acts is a legal wedge between friends. Called for new militancy and courage. CFPB needs to double efforts and agitation, today. No time to be mute.

"THOMAS JEFFERSON quoted---Citizenship must soon follow victories. Urged power of rationality--abolish MC CA, WMcCA and Innit."

LA 100-1783

"These people appeared to be dedicated, serious and intelligent, they will use well planned strategy to influence not only their own groups but other organizations and even communites, to vote to repeal the McCARRAN and WALTER MC CARRAN Acts and against the Initiative. (C)

"Their campaigns to 'inform' people can result in many well meaning people voting according to their dictates; this is what they are counting on. (C)

"In their demands that the members of the 'Victory Club' become citizens, immediately, is ironical. Instead of being grateful for the decisions of the courts, they will use their new freedom to work with more power at their disposal, to undermine the government of the United States. (C)

"They are confident that this is a good year to see many of their goals accomplished, they feel that they are 'on their way'. They seemed to be almost jubilant. (C)

"REV. FRITCHMAN was dramatic and vehement when he warned of the dangers of the 'Right Wing' and the danger of this country becoming a Facist nation." (C)

"March 23, 1964

"Victoria Hall - 2570 W. Pico Blvd. Los Angeles, California.

"Report of Los Angeles Conference of Committee for Protection of Foreign Born...March 21, 1964.

"RT. REV. MITCHELL was late because he had been detained. The program was supposed to start at 10:00. It did not start until almost 11:00.

"I would estimate there were 125 people in attendance. The audience looked to be predominantly Jewish. I saw several people whom I have seen at other functions, but whose names I do not yet know. I did recognize MR. HUGH DE LACEY and MRS. DE LACEY and MRS. HELEN TRAVIS, as well as REV. FRITCHMAN.

"REV. FRITCHMAN was the first speaker. He spoke before REV. MITCHELL arrived. He talked about extreme right and left people in catagories. He said that the road down the middle seemed to be tinged with another color, namely yellow. He said that the left group name has always been concerned with minority groups rights, with the struggle of labor and all things which are for the good of the minority

~~CONFIDENTIAL~~

"groups. He said that he would speak further on this subject on Saturday night at the dinner at which he was to be one of the principle speakers.

"RT. REV. WALTER MITCHELL from Rancho Santa Fe was the honorary chairman. He did not make any remarks, but merely introduced the different speakers.

"MR. GEORGE LEE, a colored man, very dark - Vice President, ILWU, Local 26, was the next speaker. He compared the Committee for Protection of Foreign Born with the other committees who have the welfare of minority groups as their aims.

"Pressure groups have tried to create jealousy between the groups in the committee and as a consequence the Mexican-American group has become isolated from the rest of the group.

"MR. LEE was congratulating the group for the victory of someone named ROSE, who on Friday had received word that her case had been won.

"DELFINO VARELA stated that the victories of the Committee have flowered. He suggested that the attainment of Statute of Limitations is of prime importance. He said that the committee should work to the end that the first admission for permanent residence would be the limitation.

"The gentlemen from the Jewish Cultural Clubs, MR. NATHAN GARFIELD, was not in attendance, his secretary gave a very short welcome in his behalf and wished the committee success in their work for the day and the coming year.

"HUGH DE LACEY was representing the Civil Liberties Committee. He said he had been a member of the American Committee for many, many years. He said the American Committee had worked so hard for the repeal of the MC CARRAN Acts. He said there were two different acts...the one in which the L.A. Committee was so interested in, the one which

~~CONFIDENTIAL~~

LA 100-1783

"allowed deportation of immigrants. This act, he said was the MC CARRAN WALTER Act. The other one he said was concerned with internal security. This one, he said became a law in 1950. Reviewed the provisions of the law and stated that it is 'a dirty, rotten, stab in the back and must go.'

"He stated that it destroys the rights of people in any way it can.

"HELEN TRAVIS spoke very briefly because of the press of time. She referred people to the article which she wrote which is in the handbook, on page 21. Referred to two people in San Francisco who have been indited under the Internal Security Law, HANK SIEGEL is one.

"ROSE CHERNIN gave an annual report of what had been accomplished by the committee in obtaining favorable decisions. She referred to the Victory roll, a copy is included in the handbook.

"She said that the American Committee for protection of Foreign Born had come under fire because the Supreme court had decided that the committee was organized especially to give aid to the Communist party.

"She appealed to all members present to do all they could in the coming year to help the committee obtain more favorable decisions.

"The meeting was then adjourned for lunch."

ACTION:

COMMUNIST TARGET YOUTH

On Thursday, February 20,1964 at 8:15 P.M. there was a meeting of the A.C.L.U. at the Westdale Savings and Loan Bldg., on Sepulveda Blvd just North of National Blvd. There were ~~ab~~ about 150 people present. About twenty percent to twenty five percent of the audience were student aged young people. Dr. Irving Lichtenstein opened the meeting by commenting on the large crowd and stating that the speaker would be short or brief so that any dessent could be heard afterwards. He then introduced Joe Friedman. Mr. Friedman requested letters to congressmen to prevent appropriation of funds to the H.C.U.A.He said that maybe wires would be better as time was near for the request for funds. He urged everyone to join a civil rights group and to also write letters in favor of Civil Rights Legislation. Next Dr. Lichtenstein introduced Kay Sharp. Kay asked for a show of hands on what brought people to the meeting, the A.C.L.U. Bullitin, The Open Foram, The Callender section of the L.A. Times or a friend? Only eight hands showed for the Bullitin the rest were for the other media. She then asked for volunteers to fold and lick for the Bullitin at Dr. Lichtenstein's home. She said there would be a large supply of various kinds of liquor and they would have lots of fun on the last day of each month. If they did not get 12 volanteers they would not be able to put out the Bullitin, she said, as <u>they had a mailing list of 2000 which made their chapter the largest in California,in fact the largest in the United States</u>. She closed with another plea to sign up to lick, fold and "guzzle". Then the Dr.

introduced Evette Abelman as a one women Chapter. Evette told of the need for participation in the Civil Rights Movement. She told of calling on the different merchants in Beverly Hills about hiring Negroes as she said contrary to some beliefs there was discrimination right in Beverly Hills. She reported that some stores had cooperated, Sacs and I.Magnin's ~~w~~ were not cooperating and they were going to continue to discuss it but were planning to picket on Sat. Feb.29. She thought this would be fun and said it would be a new experience for her and also the first time the A.C.L.U. would be joining with other civil rights groups in demonstating. She told of a picket workshop to be held in a private home on ~~Th~~ Thurs. Feb. 27. It sounded like 349 Lindon. Next the Dr. introduced John Edwards who said he was a Republican who was against the H.C.U.A. and that he spoke on this subject at meetings on request. Then ~~the~~ Dr. Lichtenstein introduced Frank Wilkenson. Mr. Wilkenson had a table set up for his documentation, which he said should not alarm people as it did not mean he would be long. He then told how he intended to show how the House Un-American Committee has always been against civil rights and how they intimidated civil rights leaders. He said Hamilton Fish was the first head of H.U.A.C. from 1930 to 1934. He quoted what he said was Hamilton Fish labeling Communists subversive because they had interacial dancing. He mentioned Willis and Turk of the Committee most often saying they had vested interests because they came from Southern Districts where Negroes had only small numbers of voters. He quoted Walters of the

H.C.U.A. as saying that 72 of nintysome people connected with the revised Bible ~~as being~~ WERE subversive. He associated the late Mr. Walters with Senator McCarren and said their Immigration Act has been codemned by leading Catholics, Protestants and Jews as the most viscious discimanatory Act ever written. He then said the Committe most recently had sent 111 doziers to Virginia intimidating civil rights leaders in the South. He said the terrible part about this was that most of the information predated 1947. He showed a brochure put out by the American Natzi Party, he said, which depicted Martin Luther King at a socalled Communist School. He said actually the picture was taken at Halfway House(OR Hathaway House) and the Communist in the picture was a Communist Reporter covering the celebration with other newspaper men. He identified one man in the picture as Aubrey Williams who, he said started and promoted President L.B. Johnson. Another he said was James Imbrie. He said he had spoken at 70 Colleges across the country, in the last year. He praised James Roosevelt, Edith Greene from Oregon, Geo. Brown, Fitzryan of New York and other brave men who were trying to stop the Committee. He said he was leaving Sun. Feb.23 for Washington D. C. as he had had an emergency call to come and lobby for the prevention of the allotment of funds to the Committee on Un-American Activities. He said the H.C.U.A. had actually helped him as when he was in jail he had been able to research Constitutional law and was more convinced then ever that the Committee was violating the First Amendment.

During the question and answer period, Mr. Wilkenson was asked about the riots in San Francisco in 1960 and about Communist Target Youth. He stated if anyone led the students it was the Professors and if they(H.C.U.A.) had let people in on a first come basis there would have been no demonstration. He said there were Communists there,for example Archie Brown,but only among the witnesses. He said Communist Target Youth was on trial during thw Miesenbach trial and a photo in Life(or Look)magazine had proven the Miesenbach boy innocent. Then he told how thirty days later (the riot) he had been invited to a meeting with the head of SLATE and some of the people who were in the riot and that this was the first time he had met any of thede people so how could he have been involved? He praised the A.C.L.U. film Operation Correction and the Paulist film with the Neuman Father of the Nueman Fellowship for the film Operation Autopsy. He said the latter film was an objective view of both sides which left no doubt who was wrong. One questioneer told how when he was at Bekeley Communists took over the student group on campus. A girl in the audience jumped up and said she resented the intimidation of SLATE, to which the questioner answered his age should have told her he was at Berkeley 15 years ago, long before SLATE. Mr. Wilkenson praised the girl for her defense and said he loved the young people. He also praised SNIC earlier in his talk. At the end of the talk he showed Committee To Abolish HUAC letterhead paper which contained over 400 names. He told of writting to 600 people and how happy to get over 400 willing to lend

their names for the letterhead in spite of being told they risked intimidation. He also said he would get to the ACLU Chapter, as soon as they are ready, copies of a pamphlet by Anne Braden. These pamphlets were to be distributed to all ACLU Chapters throughout the U.S. for distribution.

Sometime during the talk, Mr. Wilkenson told of a Little McCarren Act in Virginia that had just recently arrested and put in jail civil right's leaders based on information supplied by the HCUA. He also stated how much research he had to do and how carefully he had to prepare his talks as he could have swayed an entire audience and then get just one question showing illogic on his part and thereby lose the entire audience.

integrated but Saks (Fifth Avenue) and (I) Magnins had not and if negotiations pending with the latter two were not successful by Wednesday, 2/26/64, further action would be taken to integrate them. (C)

During the above meeting PS made the following observations and formed the following opinion: (C)

The small audience was racially mixed, with many young persons and students present. FRANK WILKINSON appealed to every class. He told of his own student days at U.C.L.A. when he fought against the very ideals which resulted in his arrest and his having been sent to prison. This line was very impressive to the young and the students. (C)

His talk about the House Committee on Un-American Activities being anti-Semitic and anti-Negro fell on willing ears, eager to follow his advice to work to abolish the Committee. In the opinion of PS it was amazing to see how dedicated these people are and when one considers the membership of this organization, 1500 to 2000, they are a dangerous group. These numbers multiplied by the large cities in the United States could result in a very significant vote. (C)

Literature obtained at the above meeting included: (C)

1. Pamphlet "Should You Join The American Civil Liberties Union" issued by ACLU of So. California, 323 W. 5th St., L.A.

2. "Essay and Arts Award Contest" for "Students of Beverly Hills High School," issued by Beverly Hills-Westwood Chapter of ACLU of So. California. Call CR 4-3173.

3. Reprint from Wall Street Journal 10/30/63 re ACLU giving legal support to "U.S. Reds, Gov. BARNETT, Negro Defendent in Dixie," issued by ACLU, 156 Fifth Ave., New York 10, N.Y.

"MRS. WALTZER (NFU) is the German born wife of BRUCE WALTZER, attorney for the A.C.L.U., and the Southern Conference Educational Fund , but they are not members. She is attending College and will study law, and work with her husband, when she receives her degree. (C)

"She spoke of the conditions of the negroes in the South. The manner in which they are treated - not like human beings. (C)

"If a white person recognizes a negro or helps them in any way, they can be subjected to arrest, and are not recognized by white people. (C)

"Negroes are beaten and thrown into jail for no reason at all. (C)

"My mother, visited us from Germany. She does not speak or understand English, and was arrested for riding in the Negro section of a bus. We had to pin a note on her dress, asking people to help her, because she does not speak or understand English. (C)

"My husband is in partnership with a Negro attorney, they have a Negro Secretary. They have had to move their offices several times because of this. (C)

"Their offices were raided and thoroughly ransacked by the Louisiana Joint Legislative Committee on Un American Activities. Personal private files on law cases, were taken and never returned. We are not communists and there was nothing of that nature in the files. (C)

"Then they came to our home, and took piles of foreign books. Hebrew Bibles etc. looking for communist material, but found nothing.

"I am a Jew, but was placed in a Catholic Convent, and brought up in the Catholic Faith.

"I expect my husband to be killed anytime, because we help the Negroes. I am prepared for that.

"We want fair treatment for all people.

"If people would read the Constitution of The United States, they would know they do not need a Civil Rights Law, it is written into the Constitution.

"If you want to help the Negro in the South, you can only do so by voting for Civil Rights, in the comming election.

"In U.S.S.R., the Jews are the Capitalists, in the United States the Jews are the Capitalists, and many of them are communists.

"W.L.A. gave her a check for $50 - for the Southern Conference Educational Fund."

"devoted to 'Right Wing' and 'Bircher' programs. Freedom of speech was violated. Campaign was costing $2,000. It would cost money to bring suit against CBS. That whether he wins large vote or not, impact of Communist, running for office, will be felt by other supervisors. That people will realize that Communist and Socialist views must be heard. The fact that he was running for high office would be used as a wedge to get a voice in shaping policy re: Police review board--- To remove Police Chief PARKER---Poverty Job opportunities for Negors and Mexicans. Medical aid, pensions and unemployment insurance. Said VANCE---? helped to write his speech. He also named someone in New York who had been closely associated with MARK ANTONIO, who helped with the speech. Said that he didn't know the first thing about city and county government, and how it was run, before he became a candidate; that he had been having to study."

ACTION:

PS during interview re above voiced the following personal opinion of above meeting.

It appeared that preparation for a capacity audience had been made and those in charge were disappointed on account of the small attendance. MR. TAYLOR appeared to be well chosen and coached to represent the Communist Party as a candidate for the office and it seemed to be felt that the impact of a Communist candidate would advance the cause of the C.P. appreciably by proving that there are Communist and Socialist who demand a voice in Government, as a third party and this action is their right and they intend to exercise this right.

PS also furnished certain literature identified below which is retained in [redacted] b7D

(1) 3 sheets issued by the Los Angeles Congress of Racial Equality, 1115 Venice Blvd. L.A. as follows:

"NAN BLAIR is Education Director of the Moranda Smith Section and MAGGIE CARL is Education Director of the Valley Section of the Party.

"The meeting began with a discussion of the Education Workshops. It was agreed that more effort is required to make these workshops more valuable to the Party membership. The next Education Workshop will be held on Friday evening, June 12, 1964, at which time [redacted] will be the main speaker. The problem of attendance, guaranteeing that literature will be present at the meeting, and preparation of questions for discussion was distributed out to various members of the Education Commission. [redacted] will be responsible for seeing to it that literature is brought to the meeting and some questions for discussion will be prepared by ETHEL BERTOLINI. ETHEL indicated that she is leaving shortly on a one month vacation with her husband, but will try to get this work done before she goes. A special effort will be made to get better attendance at this meeting then has been available at previous meetings.

"The Education Commission then moved on to a consideration of the preparation of a master class. It was suggested that the

"best teacher for this class might be SANFORD GOLDNER. NEMMY SPARKS has also been suggested. The plan is to have a number of people who are now teaching or who would like to be teachers of Party classes attend this master class which would deal with three basic subjects; namely politics, political economy and philosophy. [redacted] is responsible for seeing FRANK SPECTOR about the possibility of making up a bibliography which could be used by this class. The bibliography would include recent publications and articles coming out of various communist political organizations in this country and abroad which could possibly bear on recent developments in these fields. (C)

"The meeting then discussed the question of publications. It was pointed out that the 'Southern California Viewpoints' has now been officially dropped and that the organization department is planning to get out a bulletin which will from time to time contain certain education materials. It was additionally pointed out that a youth bulletin is being prepared. (C)

"During the course of this discussion, [redacted] passed out copies of a new publication being issued by students at El Camino College. This publication, he noted, has a number of young communists working on its editorial staff, including one girl, [redacted] who [redacted] said was just recruited to the Party in the prior week. [redacted] noted that the members of the American Civil Liberties Union (ACLU) who had helped defend the students in their issuing of the publication, had also more recently supplied money for getting out additional issues. (C)

"The meeting then heard a report from IRV GOFF on the question of Discussion Unlimited. IRV pointed out that the last two meetings of the Discussion Unlimited group have been quite unsuccessful. Attendance has been low and the organization is now operating in the red. (C)

"The plan to have a meeting where GUS HALL and NORMAN THOMAS would debate with more conventional political leaders fell through because of the failure of the group to get a Democrat and a Republican to speak on the same platform. Some efforts are still being made to arrange such a meeting. In the meantime, an effort (C)

"is being made to have a cultural meeting at which JAMES BALDWIN, ROD SERLING, HARRY GOLDEN and JOHN HOWARD LAWSON might be speakers. Some of these individuals, IRV indicated, have already stated that they would be willing to participate in such a panel.

"A special meeting is being planned on the question of Cuba at which HERB MATTHEWS will be the only speaker. This will be a meeting at which MATTHEWS will explain his point of view with regard to the developments in Cuba.

"The meeting then went on to consideration of the next meeting of the Education Commission which was set for Monday, June 15, 1964, at IRV GOFF's home. The following meeting was also set for Monday, July 20, 1964, at ETHEL BERTOLINI's home.

"Some discussion was held on the question of membership in the Education Commission and it was decided that for the present at least, sections which have Educational Directors could send them to participate in Education Commission meetings. Eventually it may be possible to set up a meeting of Section Education Directors on their own.

"It was decided that the July meeting of the Education Workshop would be on the question of poverty and that an effort will be made to get SANFORD GOLDNER as the speaker on that occasion."

I recently received literature inviting me to join the American Civil Liberties Union, and I found their story interesting. However, I've run into no end of controversy about their worth while talking to friends and relatives about the ACLU.

Could you kindly send me any enlightening information you might have about their true value, or direct me to another source thereof?

"FRANK WILKINSON of the COMMITTEE To ABOLISH the HUAC spoke to students at Calif. State College at Los Angeles on the evils of the HUAC. He was sponsored by the school chapter of the ACLU.

"FRANK WILKINSON named Chairman WILLIS and Vice Chairman TUCK of the HUAC as having bested interests in segregation. They are elected from districts that oppress possible Negro voters.

"WILKINSON claimed that he was sent to prison for one year because he used the 1st Amendment to the Constitution as his defense against questions asked of him by the HUAC. WILKINSON demanded the abolition of the HUAC. The functions of this committee should be handled by the House Judiciary Committee where they properly belong.

"WILKINSON branded J. EDGAR HOOVER's recent statements about communist influence in the civil rights movement as damaging. Informants for the FBI and HUAC tell lies and half truths. People called before the HUAC should have the right to face their accusers and to cross-examine them on the stand.

"WILKINSON praised Congressmen EDWARD ROYBAL, GEORGE BROWN and JAMES ROOSEVELT for having voiced their disapproval of HUAC last year on the floor of Congress.

"ACTIVITY: [redacted] SOUTHERN CALIFORNIA DIST., COMMUNIST PARTY. b6 b7C b7D

"DATE: [redacted] - 8:00PM-12 Midnight.

"PLACE: [redacted] Los Angeles, Calif.
(Home of [redacted])

"ATTENDANCE:

[redacted]

"Previous to the meeting a discussion was held relative to the radio program which had been slated on Radio Station KNX for [redacted] to speak, Friday, May 29th at 8:15pm and Monday, June 1st, at 9:15pm., had been cancelled. KNX had sent a letter and had cancelled the programs based on a clause in the contract which says that if the material does not suit KNX they have the right to cancel and that the program had not been previously submitted to KNX. KNX wrote that they did not know who [redacted] was nor that he was a communist and it is their policy not to allow communists to speak on KNX radio. b6 b7C

"DOROTHY HEALEY then related that she had called the AMERICAN CIVIL LIBERTIES UNION (ACLU), Attorney FRANK PESTANA and Attorney BEN MARGOLIS and that it was felt that there was a case here but because of the Memorial Day holiday it would be impossible to get an injunction to get KNX to allow [redacted] to go on radio. DOROTHY related that after the primaries a suit would be filed against KNX on this question. The lawyers feel that they have a good chance of winning the suit.

[redacted] then related that in his campaign the signs are slowly getting up but that the enthusiasm which had been expressed at the MAY DAY meeting where he had received a standing ovation had not culminated into people coming in to the office and help with his campaign.

~~CONFIDENTIAL~~

LA 100-1763

"DOROTHY HEALEY then opened the meeting. She related that basically there have been four points covered when she went back to New York. One was on money matters of the national Communist Party and secondly, was the report given by CLAUDE LIGHTFOOT on the Negro question. The third one was on the TROTSKY situation in the United States which, she felt, would bring into focus the question of RED CHINA and the SOVIET UNION. The 4th was an area of concentration on the Negro question. DOROTHY related that she would deal with two points in this meeting. One was that the national headquarters were sorely in need of money and it will be necessary for the SOUTHERN CALIFORNIA DISTRICT to send more money to the national. Also, the National has decided that when DOROTHY goes back to New York it will cost the DISTRICT $75.00.

"BEN DOBBS then related that for the last couple of months the DISTRICT has been paying $75.00 every time DOROTHY went to New York.

"DOROTHY HEALEY related that it had also been suggested that on certain occasions MICKIE LIMA go back one time and that she go back another time; that there be alternation between the North and the South. This had not been actually decided as yet.

"DOROTHY then proceeded to read 20-page, typed report, double spaced on the NEGRO QUESTION by CLAUDE LIGHTFOOT. She related that this report would appear in POLITICAL AFFAIRS. The report deals with the question of raising the social revolution of the Negro to encompass the white working masses. The end result of the report is that the national committee has decided on four areas of concentration as follows:

"1: HARLEM
2: DETROIT
3: CHICAGO
4: WATTS in Los Angeles.

"These areas will be allowed special money and special people will be assigned to these areas and even to move in to those areas to work with the people living in these areas.

[redacted] then related that WATTS is not the type of area where white people can look into and commence to work because the area of WATTS is an area of people who have recently come from the South and they do not trust white people and they are not politically sophisticated. If we were to work with the Negro people on the political question it has to be with the Westside Negro where there is political sophistication. (C)

"DOROTHY HEALEY agreed to this and then asked [redacted] whether she was against working in the WATTS area. (C)

[redacted] answered, 'No, but a study must be made to determine what we mean by concentration and what we intend to accomplish in the WATTS area.' (C)

"It was then decided to let the STAFF work out the specific area where this concentration should take place. It must be in the Negro area and a report would be turned in to the full Executive Board. (C)

"DOROTHY HEALEY related that there would be a 'write-in' candidate for president and vice president in the November campaign. It had been decided that GUS HALL be the candidate for President and BENJAMIN DAVIS for Vice President, but BENJAMIN DAVIS is very sick so CLAUDE LIGHTFOOT has been substituted to run for Vice President on the COMMUNIST PARTY TICKET in the November national election. (C)

"DOROTHY HEALEY then reminded the members [redacted] about the MAY 31st concentration at the Coliseum. People who are going to pass out [redacted] campaign literature must be at the BILL TAYLOR headquarters at 11:00 A.M. and proceed to the Coliseum from there. There will be a station set up at the Coliseum where people will distribute the PEOPLE'S WORLD to people who want to buy it. Or people who want to sell it. There will be approx. 30 people selling PEOPLE'S WORLD newspapers. [redacted] consisting of ten members will be assigned to pass out [redacted] literature and the Municipal Program of the Communist Party for the Los Angeles area. (C)

"Attendance: approx. 300

"Sponsor: Constitutional Liberties Information Center.

"Panel included: HUGH DE LACY, JEAN PESTANA, REUBEN BURROUGHS (introduced only), ARCHIE BROWN, WILLIAM TAYLOR and ROBERT KENNY.

"In audience were:

"BEN DOBBS
DOROTHY HEALEY
DAN BESSIE
HELEN TRAVIS

"DE LACY: Have you noticed the large pictures on stage and on the walls?...Many of you may remember that the first meeting of CLIC, we used them..as you see, the pictures are of our Supreme Court justices who have been doing such a marvelous job upholding our rights...the rights of all the people...we aren't like the Birchers who want to hang these great men...we hang their pictures..(applause)..I'm being used tonight to introduce the chairman of the evening..a most attractive and efficient lady who never stops working for our cause...she needs no introduction, I give you JEAN PESTANA....(applause)

"PESTANA:

"I'm a San Franciscan but our guest speaker probably never noticed the young daughter of a labor leader back in the days when ARCHIE BROWN was very active even then, while I was just learning to put things together to decide the course of my life...ARCHIE BROWN...(applause). My husband is setting up Nat'l. Lawyers Guild Hdqtr. in Jackson, Miss.

"BROWN:

"Believe me I would have noticed this lady except that our paths just never happened to cross...(laughter)...San Francisco

"is really jumping these days...the radical right is moving into town for the Republican convention but this very evening, the Labor Union is meeting there and guess what....they're going to organize the unemployed...(applause)...there's a new wind blowing, not only in California but all over, but I'm supposed to say something about my own case...I want you to know that Section 504 of the Landrum-Griffin has been declared un-Constitutional...get that....unConstitutional...(applause) in a nut shell, it means that now anyone can run for any office no matter how he thinks...and another thing, did you know that a union officer, once indicted, can't accept union funds for legal counsel?...how wrong can you get...

"A. BROWN: Things are going so good that a lot of our people don't know whether to run for office or get a visa to travel...(applause) And didn't BILL TAYLOR shake 'em up... he really scared 'em...it makes me laugh to hear that people didn't know he was a communist..here's a piece of his campaign literature and it says so right at the top of the page.

"I saw AL RICHMOND, editor of the PW, the other day and he said that our people are confused at the way things are happening these days...well, all I can say is, confuse me some more....(applause)...look at the recent APTHEKER decision...look at the status of registration of communists...look at the Catholic Church...take a good look...who'd ever believe that anyone could challenge a Catholic Cardinal?...(applause) Look at Africa today... we're lucky there aren't more traitors like old TSHOMBE...look at our own South, where they said there would always be Jim Crow... well, let me tell you that Jim Crow is on the way out, and that's for sure..(applause) the Negro is sick and tired of being pushed around and now they are going to make demands and get action.. (applause) And we have to keep busy to repeal the McCarran (Act) because it is an enemy of labor and the unions...it destroys our people, along with its' other appendages, the Smith Act, and HUAC... another thing we have to do here in California is defeat Prop. 14... urge everyone you know to vote no on this issue because it will outlaw all fair housing in the State..(applaus__

"PESTANA: And now a real treat...LOU GALL (sp?) will sing a couple of songs. (He played a concertina as he sang a song

"about 'Madge with a badge' the gist of the song was that Madge was patriotic but quite neurotic, 'I'm a man who likes to be hugged, but not when the bed is bugged'...)

"PESTANA: People ask where LOU gets these cute songs... well, he writes them. And now, a man who has courageously run for public office and although he didn't win, he certainly proved a point that we have lots of support...

"TAYLOR: My final vote tally from BEN HITE's office gave me almost 1000 more votes, bringing up the percentage to 13.7% and we think that is pretty terrific...especially since I announced publicly and on all of my campaign literature that I was running as a communist...even more important is the fact that there were 47,000 voters who didn't cast a ballot for me or HAHN and this is significant...either they didn't want to vote in protest against HAHN, or they didn't want to indentify themselves by voting for me, although we can assume that a large percentage just could be on our side...so, we have a lot of work to do in the precincts..(applause)

"Our most important job though is to repeal McCarran... this act has lashed out at 41 victims and 5 are from So. California... I think some are in our audience tonight...there's DOROTHY HEALEY back there....and the FBI should be exposed for what they are... do you know that down south, they are sending men in who by day pose as FBI men and at night they put on the white hoods of the KKK...what kind of security is that....we demand justice and we'll get it...(applause) Vote no Prop. 14.

"PESTANA: And now it is my great priviledge to introduce a man who has done probably more than almost anyone else here in California...I understand that he is going to visit my husband's native Portugal and I hope that he won't have the same experiences ...that they will be more pleasant. Our good friend, ROBERT KENNEDY ...(uproarious laughter)..I mean ROBT. KENNY...how can you ever forgive me....

"KENNY: That reminds me of an old friend who left the U.S. in disgust and moved to England...he told me he would be happy to return when I became Attorney General...later, he read in the

"London paper that ROBERT KENNY had been appointed U.S. Attorney General and he was all set to come back, until he learned that it was ROBERT KENNEDY....(laughter) but here in America, we do indeed have a big job to do to repeal the McCarran Act...it must be done...and I might say that the picture of ARTHUR GOLDBERG should be up on the wall here tonight because it was his appointment to the Court that gave us a majority...the Supreme Court, since the Little Rock desegregation decision, has actually become a sort of legislature, and they must and do follow the principles of Constitutional law....one of the most important decisions recently is the APTHEKER case...here again, a section of the McCarran Act has been declared unConstitutional, that would forbid the issuance of passports, and the right to travel...it was even a major crime for an American communist to even make application for a passport and this is a direct violation of the Constitution... it was Justice GOLDBERG who said in his majority opinion that under the statute Congress has legislated too broadly in the passport field and that national security must be protected by means better suited to the constitutional liberties of individuals...(applause)

"HELEN TRAVIS was sentenced here for traveling to Cuba, on the same day that the Court reaffirmed the right to travel... the ACLU will appeal the conviction, urging for a nominal sentence.

"I do hope that you all realize too how important it is to defeat Prop. 14...(applause) won't all of you please put bumper strips on your cars and spread the word as far as possible that we must preserve fair housing in California and rid our society of discrimination.

"When I was young, we used to go to Spain, because that's where the battle was...but today, the battle is right here, so let's get busy. I guess we really owe a debt of gratitude to the McCarran Act because it has resulted in giving us 14 years of work, but let's do all we can now to repeal it...(applause)"

"The meeting was opened by HUGH DE LACY who welcomed the people to the meeting and introduced the Chairman of the meeting, JEAN PESTANA.

"JEAN PESTANA then introduced ARCHIE BROWN.

~~CONFIDENTIAL~~

"ARCHIE BROWN then spoke. He dealt with Section 504 of the LANDRUM-GRIFFIN ACT and related the great victories which had been won recently throughout the United States, one being the Registration cases; 2: His own case, the Brown case; BROWN expounded some levity in the sense that he indicated that progressive people, since the victories, do not know what to do whether to run for office or go to Europe. ARCHIE BROWN dealt with the aspects of his own case. He said his case dealt with the right of union members to elect their own union officers and that no longer can a union official be indicted under Section 504 of the LANDRUM-GRIFFIN ACT. BROWN then spoke in favor of the HOFFA (Jimmy) union organizing in the South and asked the audience to read FRED J. COOK's article in the NATION MAGAZINE on the HOFFA TRIAL and the great injustice which are taking place on the HOFFA situation. BROWN ended his talk by lauding the HOFFA UNION in the sense that they are the only ones working to organize the unemployed workers in the South. BROWN also spoke about the picket line before the LABOR COUNCIL meeting of unemployed workers in San Francisco.

"JEAN PESTANA then introduced BILL TAYLOR. BILL TAYLOR made the pitch for money and made the collection of the evening. TAYLOR related that it was his own campaign in the 2nd Supervisorial Dist. in Los Angeles, indicating that if there had been more money to conduct a better campaign more votes would have been counted in his favor in that particular race.

"The main speaker of the evening, ROBERT W. KENNY, was then introduced.

"ROBERT W. KENNY spoke of the aspects of each of the Supreme Court decisions with the reapportionment case taking precedence over all the other cases because of the Supreme Court decision on reapportionment allows for the possibilities for twelve Puerto Rican Assemblymen in the New York area. KENNY then praised the role of Justices WILLIAM O. DOUGLAS, HUGO BLACK, EARL WARREN, WILLIAM J. BRENNAN and ARTHUR J. GOLDBERG who played a major role in this decision.

"KENNY indicated that WARREN and BRENNAN were President EISENHOWER's appointees and President EISENHOWER, as a result of appointing these two, had played a major role in these types of decisions. In the hall they were hanging the pictures of Justices DOUGLAS, BLACK, WARREN and BRENNAN and KENNY made the comment that a picture of GOLDBERG should be obtained to hang at these types of CLIC meetings. KENNY also dealt with the question of the GIDEON (?) decision which dealt with the person's right to be represented by counsel. Also the LILLIAN WORTHY case in Cuba. KENNY then introduced HELEN TRAVIS whose case is on appeal on the question of travel to Cuba.

"After KENNY spoke LLOYD GULL san several songs.

"JEAN PESTANA then introduced HUGH DE LACY again.

"HUGH DE LACY then read a telegram which was to be sent to President JOHNSON dealing with the question of doing away with the WALTER-McCARRAN ACT and the LANDRUM-GRIFFIN ACT. The audience then voted to send the telegram to President JOHNSON.

"JEAN PESTANA then announced that there would be a social hour for one hour following the program.

"The meeting was then adjourned and a social hour was then held where coffee and cake was served.

"During this social hour [redacted] met [redacted] who indicated that she was quite peeved at the AMERICAN CIVIL LIBERTIES UNION-(ACLU). She said that the ACLU was trying to start a chapter on the Eastside of Los Angeles and that after one of their meetings [redacted] had attended upon leaving the meeting he had been stopped for reckless driving and drunk driving and had been booked and he had called her after he was booked. [redacted] said she tried to get ACLU lawyers or people who had attended the meeting to bail [redacted] out but no one could do anything

"because EASON MONROE was out of town. She said that she finally went to a night club and found [redacted] and proceeded to get [redacted] out of jail. [redacted] said that [redacted] was scheduled to go before judge MARION (MYER) on JULY 13, 1964 on drunk driving. [redacted] related that she was most peeved because if the person who had been booked for drunk driving had been of Jewish descent the ACLU would have been there immediately with lawyers and funds but when it is a Mexican they seem to take a different attitude. [redacted] said that she would bring this question up at the next meeting of the ACLU and bring up the question of different types of services for Mexicans and Jewish in the ACLU."
